Our Mission
The Los Angeles Leadership Academy prepares urban secondary students to succeed in college or on chosen career paths, to live fulfilling, self-directed lives, and to be effective in creating a just and humane world.

High-powered, performance-based assessment, and an integrated curriculum promote critical thinking and intellectual depth, breadth, and agility. Close relationships between students and staff and attention to students’ individual needs and interests promote a community of well-rounded learners.

Students have opportunities to take action on important social issues, to work alongside community mentors, and to enhance the learning power of these experiences through reflection and skill development in the classroom.

Assessment of the Current Status of School Crime

There is a tradition of school pride and care at Los Angeles Leadership Academy (LALA). The facilities and grounds are well maintained and cared for. The expectation is that each adult and student will do their part to help maintain the school in its exceptional condition.

LALA has a very low incidence of school crime. There have been occasional cases of graffiti on bathroom walls through the years, but this does not occur on a regular basis. Infrequent incidences of the marking of desks and chairs have also been detected.

Students are held accountable for such actions. When a student is discovered to have been involved in graffiti or damage to school property, natural consequences are applied. The student is required to return the item to an acceptable condition, which may involve scrubbing walls or furniture.

Los Angeles Leadership Academy also prides itself in using alternatives to suspension in helping rehabilitate students back into the community. We have peer mediation, reflection sheets, counseling, PBIS committee, and a ripple effect program.
Child Abuse Reporting Procedures

Mandated reporters
Mandated reporters include, but are not limited to, teachers; instructional aides; teacher's aides or assistants; classified employees; certificated pupil personnel employees; administrative officers or supervisors of child attendance; administrators and employees of a licensed day care facility; Head Start teachers; district police or security officers; licensed nurses or health care providers; and administrators, presenters, and counselors of a child abuse prevention program. (Penal Code 11165.7)

Reasonable suspicion means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing when appropriate on his/her training and experience, to suspect child abuse or neglect. However, reasonable suspicion does not require certainty that child abuse or neglect has occurred nor does it require a specific medical indication of child abuse or neglect. (Penal Code 11166)

Reportable Offenses
A mandated reporter shall make a report using the procedures provided below whenever, in his/her professional capacity or within the scope of his/her employment, he/she has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. (Penal Code 11166)

Responsibility for Reporting
The reporting duties of mandated reporters are individual and cannot be delegated to another person. (Penal Code 11166)
No supervisor or administrator shall impede or inhibit a mandated reporter from making a report. (Penal Code 11166)

Reporting Procedures
1. Initial Telephone Report
Immediately or as soon as practicable after knowing or observing suspected child abuse or neglect, a mandated reporter shall make an initial report by telephone to any police department (excluding a school district police/security department), sheriff's department, county probation department if designated by the county to receive such reports, or county welfare department. (Penal Code 11165.9, 11166)

Department of Children and Family Services

(Penal Code 11166, 11168)

Victim Interviews by Social Services/Law Enforcement

neglect that occurred within the child's home or out-of-home care facility. The child shall be given the choice of being interviewed in private or in the presence of any adult school employee or volunteer aide selected by the child. (Penal Code 11174.3) A staff member or volunteer aide selected by a child may decline to be present at the interview. If the selected person accepts, the principal or designee shall inform him/her of the following requirements: (Penal Code 11174.3)

1. The purpose of the selected person's presence at the interview is to lend support to the child and enable him/her to be as comfortable as possible.
2. The selected person shall not participate in the interview.
3. The selected person shall not discuss the facts or circumstances of the case with the child.
4. The selected person is subject to the confidentiality requirements of the Child Abuse and Neglect Reporting Act, a violation of which is punishable as specified in Penal Code 11167.5.

If a staff member agrees to be present, the interview shall be held at a time during school hours when it does not involve an expense to the school. (Penal Code 11174.3)

Release of Child to Peace Officer

When a child is released to a peace officer and taken into custody as a victim of suspected child abuse or neglect, the Superintendent or designee and/or principal shall not notify the parent/guardian, but rather shall provide the peace officer with the address and telephone number of the child's parent/guardian. It is the responsibility of the peace officer or agent to notify the parent/guardian of the situation. (Education Code 48906)

2. Students evacuate the building by designated routes to the assembly area (see evacuation map)
3. NO TALKING IS PERMITTED!!!
4. Teachers:
   a. Take your EMERGENCY FOLDER and attendance.
   b. Check that all students are out the classroom.
   c. Check that all exits are clear.
   d. Close the classroom door.  DO NOT LOCK (Later entry may be required)
5. In assembly area, teacher takes roll and accounts for each child.
6. Students in classrooms other than their own are to remain with that class until given permission to rejoin their class by both teachers.
7. Students remain in orderly and silent lines until all clear signal is given.

Procedure Used Before School During Lunch and Nutrition
1. Students WALK to the assigned place on the yard where they meet their ADVISOR.
2. Students wait in orderly and silent lines for their teacher, or other supervising adult, to conduct them to their proper assembly area.

Procedure During P.E.
1. Teacher, or supervising adult, stops play, organizes class(es) into silent and orderly lines and conducts class(es) to assembly area.

Procedure When Not in Your Own Classroom
1. Teachers should be familiar with assembly area and evacuation route designated for that classroom or area.
2. The EMERGENCY FOLDER should accompany the class and be used by the teacher, or supervising adult, to account for all students.

Earthquake Procedures

Actual Earthquake
Tremors and shaking of the earth are the signals of an earthquake. The initial shock is likely to be not more than ninety seconds duration. Emergency action to be taken when children are inside the building is:

When inside a building, stay inside: Do not run outside because you may be hit by falling debris. Drop to the floor on your knees and make the body as small as possible. Cover yourself under a desk, table or bench, in a hall, or stand against an inside wall. You should be facing away from: windows; door; glass; skylights; brick or rock faced walls; large moveable objects, such as
bookcases; or outside doors and walls. With one arm, hold on to a desk leg so that it will protect your head and neck and so that it will not move away from covering you. Rest your head on one arm and place your other arm over the base of the head and neck. When it is safe, proceed to the assembly areas in the same manner as for Evacuation Procedures.

When outdoors, stay outside: Do not run inside because you may be hit by falling debris. Move away from buildings and overhead structures. Drop to the ground on your knees and make the body as small as possible. Face position away from: buildings, power poles and lines, trees or other overhead hazards, roads and streets, as cars may go out of control. Cover as much skin surface as possible, close your eyes, and cover your ears. If you have a book or other similar object, place it over the base of your head and neck to protect you from flying debris. When it is safe, proceed to the assembly areas in the same manner as for Evacuation Procedures.

Walking to or from school facilities: If students are walking to or from school when an earthquake occurs, they should stay away from all buildings, trees, exposed wires, or other hazards that may fall. The safest place is in the open. Students should assume “drop, cover, and hold” position until the quake is over. After the earthquake, if on the way to school facilities, continue to school. If on the way home, continue home or return to school.

Environmental Hazards

Biochemical or Chemical Release
A biological or chemical release is an incident involving the discharge of a biological or chemical substance in a solid, liquid or gaseous state. Such incidents may also include the release of radioactive materials. Common chemical threats within or adjacent to schools include the discharge of acid in a school laboratory, and overturned truck of hazardous materials in proximity of the school, or an explosion at a nearby oil refinery or another chemical plant.

The following indicators may suggest the release of a biological or chemical substance:
- Watery eyes
- Twitching
- Choking or loss of coordination
- Trouble breathing

Other indicators may include the presence of distressed animals or dead birds.

This procedure deals with three possible scenarios involving the release of biochemical substances:
Scenario 1: Substance released inside a room or a building
Scenario 2: Substance released outdoors and localized
Scenario 3: Substance released in the surrounding community

It is necessary to first determine which scenario applies and then implement the appropriate response procedures listed below:

Scenario 1: Substance Released Inside a Room or Building
General Procedures
1. Evacuate the building
2. Notify Main Office/Administration
3. Turn off all fans in the area of the release; close the windows and doors, shut down the building’s air handling system

IC Responsibilities
1. Signal for the building to be evacuated
2. Call 911
3. Contact the Charter Board
4. Direct School emergency Response Team members (search and rescue team) to isolate and restrict access to potentially contaminated areas
5. Direct school Emergency Response Team members (search and rescue team) to turn off local fans in the area of the release, close the windows and doors and shut down the building’s air handling system
6. Ensure person’s who have come in direct contact with the hazardous substances are washed and cleaned. See First Aid Team responsibilities
7. The School, or affected areas, will not reopen until the County HazMat or appropriate agency provides clearance to do so

Teacher/Staff Responsibilities
1. Evacuate classroom in a calm and orderly fashion. Follow general evacuation procedures
2. At the evacuation site, prepare a list of all individuals in the affected room or contaminated area; specify those who may have had actual contact with the substance. Provide this information to the IC

First Aid Team
1. Direct or assist individuals who have come into direct contact with hazardous substances, to wash with soap and water. Do not use bleach or other disinfectants on potentially exposed skin
2. Remove and contain all contaminated clothes
3. Segregate individuals that have been contaminated “topically” by a liquid from unaffected individuals (isolation does not apply to widespread airborne releases)
4. Provide additional medical attention as needed

Threats or Disturbances
Animal disturbance
This procedure should be implemented when the presence of a dog, coyote, mountain lion or any other wild animal threatens the safety of students and staff.

General Procedures
1. Notify office and administration
2. Keep students away from the animal (return to classroom, secure all entrances to classroom, etc.)

IC Responsibilities
1. Call 911 and/or Animal Control
2019-2020 Los Angeles Leadership Academy

2. Attempt to isolate the animal from students, if it is safe to do so. If the animal is outside, students will be kept inside. If the animal is inside, students will remain outside in an area away from the animal

Disruptive Student

General Procedures
1. At the beginning of each school year, every teacher is to develop a “Clear the Room” procedure. This procedure includes step-by-step instructions of what to do should a student begin to throw things or attach other students or staff.
2. “Clear the Room” procedures should state to which teacher the students should report.
3. The receiving teacher will notify the office immediately.
4. The teacher must stay with the disruptive student until assistance arrives.
5. Students will not return to their classroom until notified by sending teacher.

IC Responsibilities
1. Respond to the classroom as soon as possible.
2. Assist the teacher with the student.
3. Involve other staff as necessary.
4. Call 911 if situation does not abate.
5. Notify the School Counselor/Psychologist or outside agency.
6. Review each plan and require that the plan be practice so that students will know what to do

Teacher/Staff Responsibilities
1. In concert receiving teachers, develop the “Clear the Room” plan.
2. Develop and alternate plan for when receiving teacher is not in the room.
3. Instruct students as to their roles if plan is implemented.
4. Stay with the out-of-control student.

Suicide or Suicide Threat or Attempt

General Procedures
1. Always assume the victim is alive!
2. Administer emergency first aid
3. Notify the IC
4. Stay with the victim until help arrives
5. Limit access to the immediate area until police arrive (treat as a crime scene)
6. Prepare an informational flyer for parents of the students in the victim’s class
7. Notify the Carter Board
8. Notify the Crisis Response Team and/or mental health service provider (Los Angeles County Department of Mental Health or contracted service provider).

IC Responsibilities
Actual
1. Assess the situation
2. Direct that 911 be called
3. Declare a Lock Down-Response
4. Direct that appropriate notifications are made
5. Isolate all witnesses; if they are students, notify their parents
6. Direct that personal property of the victim is secured. This includes items in the
classroom and in locker

arrive at the school
8. If victim has siblings in other area schools, notify their administrators
9. Be Prepared to deal with the media
10. Arrange for counselors for students and staff
11. Make contact with parents of deceased student

**Attempted**
1. Assess the situation
2. Direct that appropriate notifications be made
3. If required, call 911
4. Deal with siblings set forth above
5. If Lock-Down was not called, hold an emergency staff meeting at close of school to brief
   staff
6. Arrange for additional counselors if needed

**Teacher/Staff Responsibilities**

**Actual/Attempted**
1. Immediately notify the IC.
2. Administer first aid/CPR (if knowledgeable)
3. Secure the area until an administrator arrives on the scene
4. Once Relieved, teacher responds to his or her classroom and maintains order

**Rumors**
1. Treat all verbal and written threats as a serious matter
2. Immediately notify the IC about the information
3. Assist in the evaluation of the threat with other staff

Charter School shall establish and implement policies and procedures to ensure full compliance with federal and state laws and regulations regarding the discipline of students with disabilities. If a student is recommended for expulsion and the student receives or is eligible for special education, Charter School shall identify and provide special education programs and services at an appropriate interim educational placement, pending the completion of the expulsion process, to be coordinated with the LAUSD Special Education Service Center.

In the case of a student who has an Individualized Education Program ("IEP"), or a student who has a 504 Plan, Charter School shall ensure that it follows correct disciplinary procedures to comply with the mandates of state and federal laws, including IDEA and Section 504 of the Rehabilitation Plan of 1973. As set forth in the MOU regarding special education between the District and Charter School, an IEP team will meet to conduct a manifestation determination and to discuss alternative placement utilizing the District’s Special Education Policies and Procedures Manual. Prior to recommending expulsion for a student with a 504 Plan, Charter School’s administrator will convene a Link Determination meeting to ask the following two questions:

A. Was the misconduct caused by, or directly and substantially related to the student’s disability?
B. Was the misconduct a direct result of the Charter School’s failure to implement 504?

NOTIFICATION OF THE DISTRICT

Upon expelling any student, Charter School shall notify the Charter Schools Division by submitting an expulsion packet to the CSD immediately or as soon as practicable, which shall contain:

- Completed “Notification of Charter School Expulsion” [form available from the CSD website or office], including attachments as required on the form
- Documentation of the expulsion proceeding, including statement of specific facts supporting the expulsion and documentation that Charter School’s policies and procedures were followed
- Copy of parental notice of expulsion hearing
- Copy of expulsion notice provided to parent stating reason for expulsion, term of expulsion, rehabilitation plan, reinstatement notice with eligibility date and instructions for providing proof of student’s compliance for reinstatement, appeal process, and options for enrollment
- If the student is eligible for Special Education, documentation related to expulsion in compliance with IDEA and the MCD, including the Expulsion Analysis page of the pre-expulsion IEP
- If the student is eligible for Section 504 accommodations, documentation that Charter School conducted a Link Determination meeting to address two questions:
  A. Was the misconduct caused by, or directly and substantially related to the student’s disability?
  B. Was the misconduct a direct result of Charter School’s failure to implement 504 Plan?

Notwithstanding the documentation sent to the Charter Schools Division as indicated above, if the student is a resident of a school district other than LAUSD, Charter School must notify the superintendent of the student’s district of residence within 30 days of the expulsion. Additionally, upon request of the receiving school district, Charter School shall forward student records no later than 10 school days from the date of the request as stated in Education Code section 49068 (a) and (b).
OUTCOME DATA

Charter School shall gather and maintain all data related to placement, tracking, and monitoring of student suspensions, expulsions, and reinstatements, and make such outcome data readily available to the District upon request.

REHABILITATION PLANS

Pupils who are expelled from Charter School shall be given a rehabilitation plan upon expulsion as developed by Charter School’s governing board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. Terms of expulsion should be reasonable and fair with the weight of the expelling offense taken into consideration when determining the length of expulsion. Therefore, the rehabilitation plan should include a date not later than one (1) year from the date of expulsion when the pupil may apply to Charter School for readmission. Charter School shall inform parents in writing of its processes for reinstatement and applying for expungement of the expulsion record.

READMISSION

Charter School’s governing board shall adopt rules establishing a procedure for the filing and processing of requests for readmission and the process for the required review of all expelled pupils for readmission. Upon completion of the readmission process, Charter School’s governing board shall readmit the pupil, unless the Charter School’s governing board makes a finding that the pupil has not met the conditions of the rehabilitation plan or continues to pose a danger to campus safety. A description of the procedure shall be made available to the pupil and the pupil’s parent or guardian at the time the expulsion order is entered and the decision of the governing board, including any related findings, must be provided to the pupil and the pupil’s parent/guardian within a reasonable time.

REINSTATEMENT

Charter School’s governing board shall adopt rules establishing a procedure for processing reinstatements, including the review of documents regarding the rehabilitation plan. Charter School is responsible for reinstating the student upon the conclusion of the expulsion period in a timely manner.

GUN-FREE SCHOOLS ACT

Charter School shall comply with the federal Gun-Free Schools Act.

This Pupil Suspension and Expulsion Policy has been established in order to promote learning and protect the safety and well being of all students at the Charter School. In creating this policy, the Charter School has reviewed Education Code Section 48900 et seq., which describes the non-charter schools’ list of offenses and procedures, to establish its list of offenses and procedures for suspensions and expulsions. The language that follows closely mirrors the language of Education Code Section 48900 et seq. The Charter School is committed to annual review of policies and procedures surrounding suspensions and expulsions and, as necessary, modification of the lists of offenses for which students are subject to suspension or expulsion.

When the Policy is violated, it may be necessary to suspend or expel a student from regular classroom instruction. This policy shall serve as the Charter School’s policy and procedures for student
suspension and expulsion and it may be amended from time to time without the need to amend the charter so long as the amendments comport with legal requirements. Charter School staff shall enforce disciplinary rules and procedures fairly and consistently among all students. This Policy and its Procedures will be printed and distributed as part of the Student Handbook and will clearly describe discipline expectations. Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of or willfully causing the infliction of physical pain on a student. For purposes of the Policy, corporal punishment does not include an employee’s use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to school property.

The Charter School administration shall ensure that students and their parents/guardians are notified in writing upon enrollment of all discipline policies and procedures. The notice shall state that this Policy and Procedures are available upon request at the Executive Director’s office.

Suspended or expelled students shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion.

C. Suspension Procedure

Suspensions shall be initiated according to the following procedures:

1. Conference

Suspension shall be preceded, if possible, by a conference conducted by the Executive Director or the Executive Director’s designee with the student and his or her parent and, whenever practical, the teacher, supervisor or Charter School employee who referred the student to the Executive Director or designee.

The conference may be omitted if the Executive Director or designee determines that an emergency situation exists. An “emergency situation” involves a clear and present danger to the lives, safety or health of students or Charter School personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student’s right to return to school for the purpose of a conference.

At the conference, the pupil shall be informed of the reason for the disciplinary action and the evidence against him or her and shall be given the opportunity to present his or her version and evidence in his or her defense. This conference shall be held within two school days of when the student was suspended, unless the pupil waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization. No penalties may be imposed on a pupil for failure of the pupil’s parent or guardian to attend a conference with Charter School officials. Reinstatement of the suspended pupil shall not be contingent upon attendance by the pupil’s parent or guardian at the conference.

2. Notice to Parents/Guardians

At the time of the suspension, an administrator or designee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension and the date of return following suspension. This notice shall state the specific offense committed by the student. In addition, the notice may also state the date and time when the student may return to school. If Charter
3. Suspension Time Limits/Recommendation for Expulsion

Suspensions, when not including a recommendation for expulsion, shall not exceed five (5) consecutive school days per suspension. Upon a recommendation of expulsion by the Executive Director or Executive Director’s designee, the pupil and the pupil’s guardian or representative will be invited to a conference to determine if the suspension for the pupil should be extended pending an expulsion hearing. This determination will be made by the Executive Director or designee upon either of the following: 1) the pupil’s presence will be disruptive to the education process; or 2) the pupil poses a threat or danger to others. Upon either determination, the pupil’s suspension will be extended pending the results of an expulsion hearing. The student will have the opportunity, at the discretion of the Executive Director and/or the classroom teacher, to complete instructional activities missed due to his or her suspension and will be able to communicate with designated school staff for any questions and for evaluation of work.

D. Authority to Expel

A student may be expelled by an Administrative Panel following a hearing before it, and preceded by recommendation from the Executive Director. The Administrative Panel shall consist of at least three members who are certificated employees and neither a teacher of the pupil nor a Board member of the Charter School’s governing board. The Charter School’s Board will appoint an Administrative Panel. The Administrative Panel may expel any student found to have committed an expellable offense.

A student and his or her parents may appeal an expulsion decision by the Administrative Panel to the Charter School’s Board, which will make the final determination.

E. Expulsion Procedures

Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. If requested by the student, and unless postponed for good cause, the hearing shall be held within thirty (30) schooldays after the Executive Director or designee determines that the student has committed an expellable offense and recommends the student for expulsion.

The Administrative Panel will hold a hearing on the case, and will make a determination whether to expel. The hearing shall be held in closed session (complying with all pupil confidentiality rules under FERPA) unless the student makes a written request for a public hearing three (3) days prior to the hearing.

Written notice of the hearing shall be forwarded to the student and the student’s parent/guardian at least ten (10) calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the pupil. The notice shall include:

1. The date and place of the expulsion hearing;
2. A statement of the specific facts, charges and offenses upon which the proposed expulsion is based;
3. A copy of the Charter School’s disciplinary rules which relate to the alleged violation;
4. Notification of the student’s or parent/guardian’s obligation to provide information about the student’s status at the Charter School to any other school district or school to which the student seeks enrollment;
5. The opportunity for the student or the student’s parent/guardian to appear in person or to employ and be represented by counsel or a non-attorney advisor;
6. The right to inspect and obtain copies of all documents to be used at the hearing;
7. The opportunity to confront and question all witnesses who testify at the hearing;
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student’s behalf including witnesses.

F. Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses

The Charter School may, upon a finding of good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations that shall be examined only by the Charter School or the hearing officer. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the pupil.

1. The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of his/her right to (a) receive five days notice of his/her scheduled testimony, (b) have up to two (2) adult support persons of his/her choosing present in the hearing at the time he/she testifies, which may include a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying.

2. The Charter School must also provide the victim a room separate from the hearing room for the complaining witness’ use prior to and during breaks in testimony.

3. At the discretion of the Administrative Panel, the complaining witness shall be allowed periods of relief from examination and cross-examination during which he or she may leave the hearing room.

4. The Administrative Panel may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.

5. The Administrative Panel may also limit time for taking the testimony of the complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours.

6. Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the person presiding over the hearing from removing a support person whom the presiding person finds is disrupting the hearing. The Administrative Panel may permit any one of the support persons for the complaining witness to accompany him or her to the witness stand.

7. If one or both of the support persons is also a witness, the Charter School must present evidence that the witness’ presence is both desired by the witness and will be helpful to the Charter School. The person presiding over the hearing shall permit the witness to stay unless it
is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising his or her discretion to remove a person from the hearing whom he or she believes is prompting, swaying, or influencing the witness.

8. The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the courtroom during that testimony.

9. Especially for charges involving sexual assault or battery, if the hearing is to be conducted in public at the request of the pupil being expelled, the complaining witness shall have the right to have his/her testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.

10. Evidence of specific instances of a complaining witness’ prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the person conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstance can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

G. Record of Hearing

A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

H. Presentation of Evidence

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A determination by the Administrative Panel to expel must be supported by substantial evidence that the student committed an expellable offense. Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay. Sworn declarations may be admitted as testimony from witnesses of whom the Board or Administrative Panel determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the expelled pupil, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in
Education Code Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

The decision of the Administrative Panel shall be in the form of written findings of fact.

If the Administrative Panel decides not to recommend expulsion, the pupil shall immediately be returned to his/her educational program.

I. Written Notice to Expel

The Executive Director or designee, following a decision of the Administrative Panel to expel, shall send written notice of the decision to expel, including the Administrative Panel’s adopted findings of fact, to the student or parent/guardian. This notice shall also include the following: (a) Notice of the specific offense committed by the student; and (b) Notice of the student’s or parent/guardian’s obligation to inform any new district in which the student seeks to enroll of the student’s status with the Charter School.

The Executive Director or designee shall send a copy of the written notice of the decision to expel to the authorizer. This notice shall include the following: (a) The student’s name; and (b) The specific expellable offense committed by the student.

J. Disciplinary Records

The Charter School shall maintain records of all student suspensions and expulsions at the Charter School. Such records shall be made available to the authorizer upon request.

K. Right to Appeal

The pupil shall have the right to appeal an expulsion decision from the Administrative Panel to the Charter School Board. The Charter School Board’s decision to expel shall be final.

L. Expelled Pupils/Alternative Education

Pupils who are expelled shall be responsible for seeking alternative education programs including, but not limited to, programs within the County or their school district of residence. The Charter School shall work cooperatively with parents/guardians as requested by parents/guardians or by the school district of residence to assist with locating alternative placements during expulsion.

M. Special Procedures for the Consideration of Suspension and Expulsion of Students with Disabilities

1. Notification of SELPA

The Charter School shall immediately notify the SELPA and coordinate the procedures in this policy with the SELPA of the discipline of any student with a disability or student who the Charter School or SELPA would be deemed to have knowledge that the student had a disability.
2. Services During Suspension

Students suspended for more than ten (10) school days in a school year shall continue to receive services so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the child’s IEP/504 Plan; and receive, as appropriate, a functional behavioral assessment and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur. These services may be provided in an interim alternative educational setting.

3. Procedural Safeguards/Manifestation Determination

Within ten (10) school days of a recommendation for expulsion or any decision to change the placement of a child with a disability because of a violation of a code of student conduct, the Charter School, the parent, and relevant members of the IEP/504 Team shall review all relevant information in the student’s file, including the child’s IEP/504 Plan, any teacher observations, and any relevant information provided by the parents to determine:

a. If the conduct in question was caused by, or had a direct and substantial relationship to, the child’s disability; or

b. If the conduct in question was the direct result of the local educational agency’s failure to implement the IEP/504 Plan.

If the Charter School, the parent, and relevant members of the IEP/504 Team determine that either of the above is applicable for the child, the conduct shall be determined to be a manifestation of the child’s disability.

If the Charter School, the parent, and relevant members of the IEP/504 Team make the determination that the conduct was a manifestation of the child’s disability, the IEP/504 Team shall:

a. Conduct a functional behavioral assessment and implement a behavioral intervention plan for such child, provided that the Charter School had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement;

b. If a behavioral intervention plan has been developed, review the behavioral intervention plan if the child already has such a behavioral intervention plan, and modify it, as necessary, to address the behavior; and

c. Return the child to the placement from which the child was removed, unless the parent and the Charter School agree to a change of placement as part of the modification of the behavioral intervention plan.

If the Charter School, the parent, and relevant members of the IEP/504 Team determine that the behavior was not a manifestation of the student’s disability and that the conduct in question was not a result of the failure to implement the IEP/504 Plan, then the Charter School may apply the relevant
disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

4. Due Process Appeals

The parent of a child with a disability who disagrees with any decision regarding placement, or the manifestation determination, or the Charter School believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, may request an expedited administrative hearing through the Special Education Unit of the Office of Administrative Hearings or by utilizing the dispute provisions of the 504 Policy and Procedures. When an appeal relating to the placement of the student or the manifestation determination has been requested by either the parent or the Charter School, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of the forty-five (45) day time period provided for in an interim alternative educational setting, whichever occurs first, unless the parent and the Charter School agree otherwise.

5. Special Circumstances

Charter School personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a child with a disability who violates a code of student conduct.

The Executive Director or designee may remove a student to an interim alternative educational setting for not more than forty-five (45) days without regard to whether the behavior is determined to be a manifestation of the student’s disability in cases where a student:

a. Carries or possesses a weapon, as defined in 18 USC 930, to or at school, on school premises, or to or at a school function;

b. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or

c. Has inflicted serious bodily injury, as defined by 20 USC 1415(k)(7)(D), upon a person while at school, on school premises, or at a school function.

6. Interim Alternative Educational Setting

The student’s interim alternative educational setting shall be determined by the student’s IEP/504 Team.

7. Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been identified as an individual with disabilities pursuant to IDEIA and who has violated the Charter School’s disciplinary procedures may assert the procedural safeguards granted under this administrative regulation only if the Charter School had knowledge that the student was disabled before the behavior occurred.
The Charter School shall be deemed to have knowledge that the student had a disability if one of the following conditions exists:

a. The parent/guardian has expressed concern in writing, or orally if the parent/guardian does not know how to write or has a disability that prevents a written statement, to Charter School supervisory or administrative personnel, or to one of the child’s teachers, that the student is in need of special education or related services.

b. The parent has requested an evaluation of the child.

c. The child’s teacher, or other Charter School personnel, has expressed specific concerns about a pattern of behavior demonstrated by the child, directly to the director of special education or to other Charter School supervisory personnel.

If the Charter School knew or should have known the student had a disability under any of the three (3) circumstances described above, the student may assert any of the protections available to IDEIA-eligible children with disabilities, including the right to stay-put. If the Charter School had no basis for knowledge of the student’s disability, it shall proceed with the proposed discipline. The Charter School shall conduct an expedited evaluation if requested by the parents; however the student shall remain in the education placement determined by the Charter School pending the results of the evaluation.

The Charter School shall not be deemed to have knowledge that the student had a disability if the parent has not allowed an evaluation, refused services, or if the student has been evaluated and determined to not be eligible.

**Procedures for Notifying Teachers about Dangerous Pupils**

Sexual Harassment Policy

Employee Prohibited Unlawful Sexual Harassment
LA Leadership is committed to providing a workplace free of sexual harassment and considers such harassment to be a major offense, which may result in disciplinary action, up to, and including dismissal, of the offending employee.

Sexual harassment consists of sexual advances, request for sexual favors and other verbal or physical conduct of a sexual nature, regardless of whether or not the conduct is motivated by sexual desire, when: (1) submission to the conduct is either made explicitly or implicitly a term or condition of an
individual’s employment; (2) an employment decision is based upon an individual’s acceptance or rejection of that conduct; (3) that conduct interferes with an individual’s work performance or creates an intimidating, hostile or offensive working environment.

It is also unlawful to retaliate in any way against an employee who has articulated a good faith concern about sexual harassment against him or her or against another individual.

All supervisors of staff will receive sexual harassment training within six (6) months of their assumption of a supervisory position and will receive further training once every two (2) years thereafter. Such training will include information about the negative effects that abusive conduct has on both the victim of the conduct and others in the workplace, as well as methods to prevent abusive conduct undertaken with malice a reasonable person would find hostile, offensive, and unrelated to an employer’s legitimate business interests. Abusive conduct includes but is not limited to repeated infliction of verbal abuse, such as the use of derogatory remarks, insults, and epithets, verbal or physical conduct that a reasonable person would find threatening, intimidating, or humiliating, or the gratuitous sabotage or undermining of a person’s work performance. Supervisors shall also be trained on how to appropriately respond when the supervisor becomes aware that an employee is the target of unlawful harassment.

Other staff will receive sexual harassment training and/or instruction concerning sexual harassment in the workplace as required by law. Each employee has the responsibility to maintain a workplace free from any form of sexual harassment. Consequently, should any individual, in particular those with supervisory responsibilities, become aware of any conduct that may constitute sexual harassment or other prohibited behavior, immediate action should be taken to address such conduct. Any employee who believes they have been sexually harassed or has witnessed sexual harassment is encouraged to immediately report such harassment to the Executive Director. See Appendix A for the “Harassment Complaint Form.” See Appendix B for the general “Complaint Form.”

Sexual harassment may include, but is not limited to:

- Physical assaults of a sexual nature, such as:
- Rape, sexual battery, molestation or attempts to commit these assaults and
- Intentional physical conduct that is sexual in nature, such as touching, pinching, patting, grabbing, brushing against another’s body, or poking another’s body.
- Unwanted sexual advances, propositions or other sexual comments, such as:
- Sexually oriented gestures, notices, remarks, jokes, or comments about a person’s sexuality or sexual experience.
- Preferential treatment or promises of preferential treatment to an employee for submitting to sexual conduct, including soliciting or attempting to solicit any employee to engage in sexual activity for compensation or reward or disparate treatment for rejecting sexual conduct.
- Subjecting or threats of subjecting an employee to unwelcome sexual attention or conduct or intentionally making performance of the employee’s job more difficult because of the employee’s sex.
- Sexual or discriminatory displays or publications anywhere at the workplace by employees, such as:
- Displaying pictures, cartoons, posters, calendars, graffiti, objections, promotional materials, reading materials, or other materials that are sexually suggestive, sexually demeaning or
pornographic or bringing to work or possessing any such material to read, display or view at work.

- Reading publicly or otherwise publicizing in the work environment materials that are in any way sexually revealing, sexually suggestive, sexually demeaning or pornographic; and
- Displaying signs or other materials purporting to segregate an employee by sex in an area of the workplace (other than restrooms or similar rooms).

The illustrations of harassment and sexual harassment above are not to be construed as an all inclusive list of prohibited acts under this policy. Moreover, please note that while in most situations a personal relationship is a private matter, these relationships are not appropriate in a professional setting, particularly where one of the parties has management or supervisory responsibilities. As such, consensual relationships in the workplace may violate LA Leadership policy.

Complainants and witnesses under these policies will be protected from further harassment and will not be retaliated against in any aspect of their employment due to their participation in an investigation, filing of a complaint, or reporting harassment.

LA Leadership will investigate complaints promptly and provide a written report of the investigation and decision as soon as practicable. The investigation will be handled in as confidential a manner as possible consistent with a full, fair, and proper investigation. LA Leadership is committed to remediating any instances where investigation findings demonstrate unlawful harassment has occurred.

Following exhaustion of the LA Leadership complaint procedures outlined herein, employees who believe they have been harassed or discriminated against may contact state or federal agencies to file a complaint. Employees who wish to contact the California Department of Fair Employment and Housing (“DFEH”) may do so by calling (800) 884-1684 (or, TTY, (800) 700-2320). For more information about or from the DFEH, visit www.dfeh.ca.gov or you can contact the Fair Employment Housing Commission at www.fehc.ca.gov. Employees who wish to contact the U.S. Equal Employment Opportunity Commission (“EEOC”) may do so by calling (800) 669-4000 (or, TTY, (800) 669-6820). For more information about or from the EEOC, visit www.eeoc.gov. Both the DFEH and EEOC will investigate complaints of discrimination or harassment, and may attempt to resolve such complaints either by prosecuting, conciliating or settling the matter on the employee’s behalf. LA Leadership will not retaliate against any employee who files a complaint with, or otherwise participates in an investigation, proceeding or hearing conducted by, the DFEH or EEOC.

**Student Unwanted Sexual Harassment**

Includes unwelcome sexual advances and other verbal or physical conduct of a sexual nature when any or all of the following occurs:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of a student’s academic status or progress.
2. Submission to or rejection of such conduct by a student is used as the basis of academic decisions affecting the individual.
3. Such conduct has the purpose or effect of unreasonably interfering with the individual’s academic performance or creating an intimidating, hostile or offensive educational environment.

**It is the responsibility of Los Angeles Leadership Academy to:**

1. Implement this policy through regular meetings with all administrators, ensuring that they understand the policy and its importance;
2. Make all faculty, staff, students, and parents aware of this policy and the commitment of the school toward its strict enforcement;
3. Remain watchful for conditions that create or may lead to a hostile or offensive school environment;
4. Establish practices designed to create a school environment free from discrimination, intimidation, or harassment.

It is the responsibility of the student to:
1. Conduct herself/himself in a manner, which contributes to a positive school environment;
2. Avoid any activity that may be considered discriminatory, intimidating, or harassing;
3. Consider immediately informing anyone harassing him/her that the behavior is offensive and unwelcome.
4. Report all incidents of discrimination or harassment to the Principal;
5. If informed he/she is perceived as engaging in discriminatory, intimidating, harassing or unwelcome conduct, to discontinue that conduct immediately.

Complaint filing and investigation procedures
The following procedures must be followed for filing and investigating a harassment claim:
1. The student may first choose to tell the individual causing the harassment that his/her conduct is offensive and must stop. If the objectionable behavior does not cease immediately, the student must report the harassment to the Principal.
2. The student alleging harassment will be asked to complete a formal, written complaint. The claim will be investigated thoroughly, involving only the necessary parties. Confidentiality will be maintained as much as possible.
3. The investigation will include a meeting with the person alleged to have harassed, sharing with that person the nature of the allegations as well as the name of the person bringing the allegations. If appropriate, the alleged harasser will be placed on administrative leave during the course of the investigation.
4. Once the facts of the case have been gathered, the Principal, in consultation with the Superintendent, will decide what, if any, disciplinary action is warranted. The disciplinary action will relate to the nature, context, and seriousness of the harassment and can include all disciplinary actions up to and including immediate expulsion or termination.
5. If the complaint is against a non-employee or non-student, such as a parent, volunteer, or vendor, the school will take steps, within its power, to investigate and eliminate the problem.

Employee Conduct and Attire

At LA Leadership, employees come into frequent contact with the public. Courtesy, tact, and helpfulness are expected in order to reinforce the positive reputation LA Leadership employees have worked hard to establish. Furthermore, in interactions with or in the presence of students, employees are required to speak and interact appropriately.

You must refrain from using cell phones in classrooms or in plain view unless during an approved break or conference period and you should not conduct personal business during the school day. As students are asked to wear a uniform to communicate their academic seriousness, employees are likewise expected to dress in an appropriate manner that is suitable for their working conditions. Appearance must project a professional appearance that sets a tone for an environment in which learning is expected to take place and in which the public is welcomed. You are expected to use good taste and maintain good personal hygiene. Determination of appropriateness of attire will be made by the school Principal.

Procedures for Safe Ingress and Egress from School

During normal school hours our school has one walking entry gate (Griffin Avenue). Students may arrive at the primary school and middle school at 7:30 am. Students may arrive at the High School as early as 7AM. Official arrival time for the high school is 7:45. Students will go into the first floor cafeteria or Multi-Purpose room (with supervision) to wait prior to the start of the school day.

The assistant principal or designee and support staff will supervise the front of the school and first floor after morning arrival to make sure all students are either with their teacher or a substitute. The instructional day continues as scheduled.

The school day ends at 2:45 pm (2:30 pm for Kindergarten). On Wednesday school dismissal is at 1:30 pm (1:15 pm for Kindergarten) for staff meeting or professional development. The Minimum Day schedule is the same as the Wednesday schedule.

For the high school the regular school day schedule varies. Dismissal is as follows: On Monday, Tuesday and Thursday (2:24 or 3:16), and on Wednesday (1:16 or 2:08). On Fridays, all students are dismissed at 3:15. (Please refer to Parent-Student handbook or feel free to call our office during the hours of 7:30am to 4pm, M-F)

All staff members and parent volunteers monitor the safe exit of students. The 2nd-5th grade students will exit through the Griffin Ave. gate (front of the school), and Kinder & 1st grade will exit through the Ave 28 gate. For the high school all students exit via the front door and are supervised for safe passage by the school security personnel and the dean or assistant principal.

Strategies and procedures were developed to ensure the safe ingress/egress of students, school employees, parents, volunteers and visitors.

- Visitors must sign in and secure a Visitor’s Pass from the school office before entering the campus. They must sign out when leaving.

Parents can receive service hours by attending any LALA-sponsored event.

5. Help your student establish a regular time and place to study and to complete their homework and school projects.

6. Talk to your student about what is happening at school and what they are learning.

**Security Protocols**
LA Leadership has developed guidelines to help maintain a secure workplace. Be aware of unknown persons loitering in parking areas, walkways, entrances and exits and service areas. Any suspicious persons or activities should be reported to the Executive Director. Employee desk or office should be secured at the end of the day. When an employee is called away from his or her work area for an extended length of time, valuable or personal articles should not be left around a workstation that may be accessible. The security of facilities as well as the welfare of employees depends upon the alertness and sensitivity of every individual to potential security risks. Employees should immediately notify the Executive Director when keys are missing or if security access codes or passes have been breached.

Rules and Procedures on School Discipline

Discipline Policy
LA Leadership Academy will use a Tiered Behavior Management System for discipline consequences. The tiered breakdown of classroom/campus behaviors organizes them by infraction level. The tiers are not meant to be all-inclusive. They are meant to exemplify commonly encountered behaviors and the appropriate corresponding approach to addressing the behavior. The purpose of creating a tiered management system to address behavior issues is two-fold:

- provide all teachers with examples classroom management expectations, and
- classify them into corresponding infraction levels.

Cell Phones and Personal Electronics Policy

California State law permits students to have cell phones in their possession while on school campus; however, this law also gives school districts and school sites the flexibility to determine their school’s usage policy. The policy below clarifies LALA’s cell phone and personal electronics (IPods, CD players, MP3 players, etc.) usage policy and consequences.

We are NOT responsible for lost or stolen items.

Electronic devices should be turned off during the school day. With teacher permission and supervision, students may use devices in the classroom as part of the learning experience. Students must wait for teacher instruction to turn on and use any device.

Students may NOT call on their personal phones for a parent/guardian pick-up during the instructional day for any reason other than a school emergency as determined by administration. Students who do
Consequences for Inappropriate Cell Phone or Personal Electronics Use

If a student is using an electronic device without permission or inappropriately, the following discipline will be implemented:

1st Offense: Confiscation of device by staff member. Device is given to administration. Incident logged in powerschool by administration. Device returned to the student at the end of day.

These terms are defined by state or federal statute.

The Los Angeles Leadership Academy District prohibits discrimination, intimidation, or harassment of any student by any employee, student, or other person in Los Angeles Leadership Academy. Prohibited harassment includes physical, verbal, nonverbal, or written conduct based on one of the categories listed above that is so severe and pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the purpose or effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects the student's educational opportunities.

School staff and volunteers shall carefully guard against segregation, bias, and stereotyping in the delivery of services, including, but not limited to, instruction, guidance, and supervision. The Principal or designee shall develop a plan to provide students with appropriate accommodations when necessary for their protection from threatened or potentially harassing or discriminatory behavior.
Students who engage in discrimination or harassment in violation of law, Los Angeles Leadership Academy policy, or administrative regulation shall be subject to appropriate discipline, up to and including counseling, suspension, and/or involuntary release to student's district of residence.

c. The principal will notify the parents of the complainant and the PCQ, if the PCQ is a student, of the reported incident, the school’s intent to investigate, and the potential consequences if the complaint is substantiated.

d. Fact-finding for the investigation will be objective and will focus on the following factors:

   (1) The age of the complainant(s).

   (2) The age of the person(s) whose misconduct is in the complaint (Note: children from kindergarten through grade 3 are not subject to discipline for sexual harassment, hate violence or harassment/threats/intimidation but other age-appropriate measures may be taken).

   (4) The number of related incidents.

   (5) The location of the incidents.

   (6) The identity, number and relationships of the individuals involved (for example, misconduct by a teacher who is “off duty” may have greater impact on a complainant than similar behavior by another student; a group of students’ misconduct toward one
complainant might be more severe than one student’s misconduct toward one complainant).

(7) Statements of any witnesses to the incident, in writing, signed and dated by the witness(es)

(8) Any prior substantiated complaints

(9) Any other facts the investigator finds relevant (for example, a history of negative behaviors, such as teasing by the PCQ or repeated inappropriate comments by a teacher, leading up to the misconduct)

e. The investigator will also conduct a private, confidential interview with the PCQ to get the PCQ’s response to the allegations.

f. The principal or other administrator will notify the complainant and his/her parent/guardian of the investigation’s progress.

(1) Unless a crime or potential criminal act is involved, the complainant may request the investigation to stop at any time. Where Los Angeles Leadership Academy is required by law to continue, or where sufficient information has been gathered to show a problem, Los Angeles Leadership Academy shall move forward with appropriate corrective action without the complainant’s participation.

(2) If the complainant is a minor, the complainant’s parent/guardian must be consulted if the complainant requests the investigation to stop. A conference between the complainant, parent/guardian, and school administrator, point person and/or investigator should be held to discuss the decision.

(6) Recommendations for disciplinary action, see Part V below, or other reasonable, age-appropriate, specific corrective actions to end the discrimination or harassment, eliminate the hostile environment, or eliminate future discrimination or harassment.

2. Los Angeles Leadership Academy will maintain records of all investigations into misconduct claims.

   a. These records will be confidential.

   b. These records may be used for tracking of complaints in order to improve procedures. If used as part of a study or database, all names of parties will be removed to protect the privacy of the parties.

   c. These records may be used to substantiate claims of repeated misconduct or retaliation for reporting misconduct.

Consequences

1. The site administrator will notify the complainant, the PCQ, and their parents or legal guardians of the determination of the complaint, including consequences, within two school days of the investigator’s report to the site administrator.

2. Counseling services should be offered to both the complainant and the PCQ.

3. In less severe cases, with notice to the complainant and his/her parent or guardian, the principal or County Superintendent may determine that other consequences are more appropriate. These include:

   a. A written warning

   b. A formal written apology from the PCQ to the complainant

   c. Transfer of the PCQ to another school class or program from a class s/he shares with the complainant, which may require an IEP review if the PCQ is a Special Education student
4. Appeal of determination of misconduct

a. If the complaint of misconduct is substantiated and the principal or County Superintendent determines that an involuntary release to student’s district of residence is appropriate, the student charged with misconduct has the opportunity to appeal this decision.

b. For lesser disciplinary actions, the student charged with misconduct may request a conference between the student, his/her parent or guardian and the site principal.

   (1) The charged student has five (5) school days from the day s/he learns of disciplinary action to request this conference.

   (2) The school will hold this conference within five (5) calendar days of the request. The complainant and his/her parent or guardian will be notified of this conference. They may also attend or provide a written statement of their concerns.

5. Unsubstantiated complaints

a. If an investigation does not support the complaint, the complainant and the PCQ will be notified. No disciplinary action may be taken but counseling may be offered to both parties.

b. If an investigation determines that the misconduct claim was false and the complainant made the claim knowing it was false, the complainant is subject to discipline including suspension or involuntary release to student’s district of residence.

c. In the event that the complainant is dissatisfied with the determination of an unsubstantiated complaint, the Target may invoke the appeal process from the complaint policy, County Board policy 7380, at whichever step the complainant feels appropriate.

d. In addition, for complaints of discrimination, the complainant may file a complaint at any time with the Office for Civil Rights. Los Angeles Leadership Academy staff shall assist the Target by providing contact information.

6. If the PCQ is a Los Angeles Leadership Academy staff member, refer to Personnel policies regarding employee discipline.

7. If the PCQ is a contractor or vendor, refer to Business policies regarding any available corrective measures.
