

Los Angeles Leadership Academy Frequently Asked Questions AB104- Retention and Grade Changes

Summary

[Assembly Bill \(AB\)104](#), a newly enacted state law, has two major pieces related to high school students.

1. For the 2021–22 academic year, this bill requires a school district, to implement a supplemental policy regarding the retention of pupils who, in the 2020–21 academic year, received deficient grades, as specified, for at least ½ of the pupil's coursework, except for pupils enrolled in grade 12 during the 2020–21 academic year.
2. This bill also authorizes the option to change the letter grade for any course to a Pass or No Pass grade on the pupil's transcript.

How will parents/students be notified?

Los Angeles Leadership Academy is required to, and will, post this information on their website. Additionally, an email will be sent to all parents and students district-wide notifying them of their rights to receive a consultation regarding grade recovery options.

Timelines for Retention and Pass/No Pass Grade Change Requests

For questions regarding **retention**:

- A consultation shall occur within 30 calendar days of receiving the written request for a consultation. A written request for retention must be submitted to Principal Sonia Del Pino or Counselor Jeffery Chipix.

Who will provide the **retention** consultation and what is required?

A consultation must be held be with the **parent**, the **pupil**, the **administrator**, and a **teacher**, and is required to include:

- Discussion of all available learning recovery options.
- Research on the effects of retention and the benefits of particular interventions and supports.

What are the available recovery options at Los Angeles Leadership Academy School?

- **Repeat the course** - The deficient grade remains on the transcript, but grade point is 0.0 and the repeated course grade point is used.
- **Change the deficient grade to “Pass”** with a grade point of 0/0 (this means that it will not figure in the calculation of the gpa).
- **Maintain the deficient grade and take another course** to satisfy graduation requirements and/or A-G requirements.

How will a “Pass” affect the GPA?

It will not affect the GPA because the grade point will be 0.0.

- A “Pass” on a transcript may not be sufficient for certain majors a student is applying for within the college application.
- At this time there is no mention of how a “Pass” would affect scholarships and merit aid.
