College Center Newsletter
distance learning

Middle School

Changes to Distance Learning Program
Changed Advisory from Synchronous to Asynchronous focusing on digital citizenship modules through Neptune Navigate and intervention using ALEKS. Our Elective class has changed to SBAC class in order to target the needs of all students with the use of ICA data.

High School

Changes to Distance Learning Program
Changed from Asynchronous Fridays to Asynchronous Mondays so students do not lose zoom time with teachers when we have Monday holidays.

5 teachers took on an additional classes and 2 took on additional advisory students due to passing of Social Science teacher Michael Newman
