While Los Angeles Leadership Primary Academy (“LALPA” or the “Charter School”) encourages parents/guardians and interested members of the community to visit the Charter School and view the educational program, LALPA also endeavors to create a safe environment for students and staff. Additionally, parents/guardians volunteering in the classroom can be extremely helpful to our teachers and valuable to our students. We thank all parents/guardians for their willingness to volunteer in this manner.

Nevertheless, to ensure the safety of students and staff as well as to minimize interruption of the instructional program, the LALPA Board of Directors has established the following procedures, to facilitate volunteering and visitations during regular school days:

Definitions

- A “visitor” is defined as any person seeking to enter the school building who is not an employee of the Charter School or a student currently enrolled in that building. All visitors who are not parents or guardians of a student must have a specific and educationally relevant purpose for their visit.

- A “volunteer” is defined as any person who voluntarily offers and provides a service to the Charter School with Charter School approval without receiving compensation.

Volunteering

Parents or guardians who are interested in volunteering in the classroom must adhere to the following guidelines:

1. Volunteers who will volunteer outside of the direct supervision of a credentialed employee shall be (1) fingerprinted and (2) receive background clearance prior to volunteering without the direct supervision of a credentialed employee.

2. A volunteer shall also have on file with LALPA a certificate showing that, upon initial volunteer assignment, the person submitted to a tuberculosis risk assessment and, if tuberculosis risk factors were identified, was examined and found to be free of infectious tuberculosis. If no risk factors are identified, an examination is not required. At the discretion of the LALPA Board of Directors, this paragraph shall not apply to a volunteer whose functions do not require frequent or prolonged contact with pupils.
3. Volunteering must be arranged with the classroom teacher and Chief Executive Officer/Superintendent or designee, at least forty-eight (48) hours in advance.

4. A volunteer may not volunteer in the classroom for more than three (3) hours per month.

5. Prior to volunteering in the classroom, the volunteer should communicate with the teacher to discuss the expectations for volunteering needs. Classroom volunteers are there to benefit the entire class and are not in class solely for the benefit of their own child. Classroom volunteers must follow the instructions provided by the classroom teacher or aide. Classroom rules also apply to volunteers to ensure minimal distraction to the teacher. If a volunteer is uncomfortable following the direction of the teacher or aid the volunteer may leave their volunteer position for that day.

6. Information gained by volunteers regarding students (e.g. academic performance or behavior) is to be maintained in strict confidentiality. Volunteers must sign in agreement that they have read and understand and agree to follow the Family Educational Rights and Privacy Act (“FERPA”) Policy.

7. Volunteers shall follow and be governed by all other guidelines indicated elsewhere in this Policy. This includes, but is not limited to, the process of registering and signing out of the campus at the main office as indicated below.

8. Volunteerism by parents is encouraged but not mandatory. Any volunteer hours are tracked for purposes of maintaining data on the parent participation at the School.

9. This Policy does not authorize LALPA to permit a parent/guardian to volunteer or visit the campus if doing so conflicts with a valid restraining order, protective order, or order for custody or visitation issued by a court of competent jurisdiction.

How to Volunteer

certificate showing that, within the past sixty (60) days, the volunteer submitted to a Tuberculosis (“TB”) risk assessment and, if TB risk factors were identified, was examined and found to be free of infectious TB. If no risk factors are identified, an examination is not required. Volunteers who do not have any risk factors for exposure to TB or who test negative for TB shall thereafter be required to take a TB test every (4) four years. The cost of this TB clearance will be paid by the volunteer. If you need more information, please contact the Parent Outreach Coordinator.

**Visitation**
1. Visits during school hours should first be arranged with the teacher and Chief Executive Officer/Superintendent or designee, at least forty-eight (48) hours in advance. If a conference is desired, an appointment should be set with the teacher during non-instructional time, at least forty-eight (48) hours in advance. Parents seeking to visit a classroom during school hours must first obtain the approval of the classroom teacher and the Chief Executive Officer/Superintendent or designee.

2. All visitors (including volunteers) shall register in the Visitors Log Book and complete a Visitor’s Permit in the main office immediately upon entering any school building or grounds when during regular school hours. When registering, the visitor is required to provide his/her name, address, age (if under 21), his/her purpose for entering school grounds, and proof of identity.

3. All visitors are asked to comply with current mandated and recommended health and safety protocols. Visitors (including volunteers) who demonstrate signs of a contagious disease
(e.g. fever, coughing) may be denied registration. When recommended or requested by the Department of Public Health, visitors will be required to wear personal protective equipment, such as masks, and practice social distancing. LALPA reserves the right to implement additional measures for the protection of its school community, such as requiring forehead temperature checks before entry to the same extent being utilized for students and employees.

4. If the visitor is a government officer/official (including but not limited to local law enforcement officers, immigration enforcement officers, social workers, district attorneys, or U.S. attorneys) the officer/official will also be asked to produce any documentation that authorizes school access. LALPA shall make reasonable efforts to notify parents or guardians prior to permitting a student to be interviewed or searched, consistent with the law and/or any court order, warrant or instructions from the officer/official. A copy of the documentation provided by the officer and notes from the encounter may be maintained by LALPA, consistent with the law. The LALPA Governing Board and Bureau of Children’s Justice in the California Department of Justice, at BCJ@doj.ca.gov, will be timely informed regarding any attempt by a law-enforcement officer to access a school site or a student for immigration-enforcement purposes, as recommended by the Attorney General.

5. For purposes of school safety and security, the Chief Executive Officer/Superintendent or designee may design a visible means of identification for visitors while on school premises.

6. Except for unusual circumstances, approved by the Chief Executive Officer/Superintendent, LALPA visits should not exceed approximately sixty (60) minutes in length and may not occur more than twice per semester.

7. While on campus, visitors are to enter and leave classrooms as quietly as possible, not converse with any student, teacher, or other instructional assistant unless permitted, and not interfere with any school activity. No electronic listening or recording device may be used in a classroom without the teacher’s and Chief Executive Officer/Superintendent’s written permission.

8. Before leaving campus, the visitor shall return the Visitor’s Permit and sign out of the Visitors Log Book in the main office.

10. The Chief Executive Officer/Superintendent, or designee, may refuse to register a visitor or volunteer if it is believed that the presence of the visitor or volunteer would cause a threat of disruption or physical injury to teachers, other employees, or students.

11. The Chief Executive Officer/Superintendent may direct a visitor without lawful business on campus to leave campus when the visitor’s presence or acts interfere with the peaceful conduct of the activities of the school or disrupt the school or its pupils or school activities. Any visitor who is directed to leave by the Chief Executive Officer/Superintendent or designee will not be permitted to return to the Charter School campus for at least seven (7) days.
12. The Chief Executive Officer/Superintendent or designee may withdraw consent to be on campus for up to fourteen (14) days even if the visitor has a right to be on campus whenever there is reason to believe that the person has willfully disrupted or is likely to disrupt LALPA’s orderly operation. Consent shall be reinstated whenever the Chief Executive Officer/Superintendent has reason to believe that the presence of the person will not constitute a substantial and material threat to the orderly operation of the School campus. The person from whom consent has been withdrawn may submit a written request for a hearing on the withdrawal within the two-week period. The written request shall state the address to which notice of hearing is to be sent. The Chief Executive Officer/Superintendent shall grant such a hearing not later than seven (7) days from the date of receipt of the request and shall immediately mail a written notice of the time, place, and date of such hearing to such person.

13. The Chief Executive Officer/Superintendent or designee may request that a visitor who has failed to register, or whose registration privileges have been denied or withdrawn, promptly leave school grounds. When a visitor is directed to leave, the Chief Executive Officer/Superintendent or designee shall inform the visitor that if he/she reenters the school without following the posted requirements he/she will be guilty of a misdemeanor.

14. At each entrance to the campus, signs shall be posted specifying the hours during which registration is required, stating where the office of the Chief Executive Officer/Superintendent or designee is located, and what route to take to that office, and setting forth the penalties for violation of this policy.

15. The Chief Executive Officer/Superintendent or designee shall seek the assistance of the police in managing or reporting any visitor in violation of this Policy.

Penalties

1. Pursuant to the California Penal Code, if a visitor does not leave after being asked or if the visitor returns without following the posted requirements after being directed to leave, he/she will be guilty of a misdemeanor which is punishable by a fine of up to $500.00 (five hundred dollars) or imprisonment in the County jail for a period of up to six (6) months or both.

2. Under California Education Code section 44811, any parent, guardian or other person whose conduct materially disrupts classwork or extracurricular activities or involves substantial disorder is guilty of a misdemeanor and is punishable, upon the first conviction by a fine of no less than $500.00 (five hundred dollars) and no more than $1,000.00 (one thousand dollars) or by imprisonment in a County jail for no more than one (1) year, or both the fine and imprisonment.
3. Disruptive conduct may lead to LALPA’s pursuit of a restraining order against a visitor, which would prohibit him/her from coming onto school grounds or attending school activities for any purpose for a period of up to three (3) years.
