General Information

The Los Angeles Leadership Academy (“LALA”)

Our Mission: The Los Angeles Leadership Academy (“LALA,” “Charter School,” or the “School”) prepares urban secondary students to succeed in college or on chosen career paths, to live fulfilling, self-directed lives, and to be effective in creating a just and humane world.

Our Long-term Focus goes beyond college as we support our student, throughout a seven-year college preparatory curriculum, as they mature into leaders who will have the tools to effectively create a just and humane world.

Our Educational Pathway includes an integrated curriculum that promotes critical thinking and intellectual depth, breadth, and agility. Instruction is rich in content and resources that prepares students to be successful in their future college courses.

Our Support Mechanism is highly sensitive to the needs of our students, families, and faculty. Close relationships are built between our Advisors and their students, fostering a culture of student success through learning, guidance, and citizenship.

Our Highly Qualified Faculty is building a professional learning community focused on collaboration for the development of best practices and differentiated instruction driven by data. In addition to our rigorous curriculum, students benefit from the availability of a variety of creative programs such as the Art Program and After-school Program, each designed to support a solid foundation of learning and student interests. We are committed to providing professional student and family counseling as an additional form of support.

Our Students have opportunities to take action on important social issues, to work alongside community mentors, and to enhance the learning power of these experiences through reflection and skill development in the classroom. As their student careers progress, they are expected to become increasingly involved in enhancing the school community through participation in student government, membership on school committees, and by conducting themselves as upstanding members of our community.

Our Parents are essential to the success of our school. We are firm believers that parent involvement is critical component in helping students realize their goals. Parents are also given various opportunities to volunteer their time and efforts supporting our school programs as well as the school community at large.

Academy Mandala Words

The word "mandala" means circle. It represents wholeness and can be seen as a model for the organizational structure of life, reminding us of our relation to the infinite, the world that extends both beyond and within our bodies and minds. Each member of our LALA community is expected to embrace the guiding principles represented by our Academy Mandala Words:

Community - We are able and willing to express our ideas, beliefs and feelings; to hear and respect the same from others. We take responsibility for the life of our community.

Empowerment - We claim our power to define ourselves and to struggle for liberty.

Well-Being - We nurture our minds, bodies and spirits by practicing healthy habits.

Creator - We express our uniqueness, imagine new possibilities, shape ourselves and impact the world.

Love - We care deeply about others, and ourselves and express this through our actions.
Integrity – We have the strength and self-confidence to act in accordance with our beliefs.
Inquiry - We constantly seek understanding by asking questions of ourselves and of the world around us.
Scholars - We are critical thinkers engaged in a lifelong pursuit of knowledge.
Activists - We envision a just and humane world, strive to make it real, and inspire others to do the same.
Courage - We have the strength to recognize and challenge our fears.

Parent Engagement Policy

Parent involvement is a critical component for effective schooling and student achievement. Active and consistent parent engagement with regards to their student's education generally leads to higher levels of student academic achievement. The Charter School aims to provide all students in our school significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps while abiding by guidelines within the Elementary and Secondary Education Act ("ESEA"). The Charter School staff recognizes a partnership with families is essential to meet this goal. Our Parent and Family Engagement Policy leverages and promotes active involvement of all families as partners with schools to ensure student success. A copy of the Charter School's complete Policy is available upon request in the main office and on the school website.

Parent/Student/Staff School Agreement

LALA believes students achieve higher levels of success when administrators, teachers, staff, and parents work in collaboration with each other. Your time, talent, and enthusiasm are an integral part of the day-to-day functioning of the school and the overall academic development of your child. As stated in the Parent/Student/Staff School Agreement, each accepts responsibility for the preparation of each student. This document is part of each student's enrollment packet and is explained to all new families at the beginning of the school year. Continuing parents and students will sign the agreement at the beginning of each new school year.

LALA believes:

Parents are needed to take active and meaningful roles ensuring the success of the school.

Parents should be actively engaged in their child's education and responsible for supporting their child's learning at home.

Parents must support the goals of the school through their voice and are encouraged to volunteer. However, **volunteering is not required.**

Parents are encouraged to attend at least 4 parent workshops each year. However, **attendance is not required.**

Helping Your Child Succeed

Effective and consistent parent participation leads to student success. The following suggestions are to help your child's academic success:

1. Encourage your student to be an active and responsible learner who completes and turns in assignments and homework when they are due and seeks assistance when needed.
2. Ensure that your student arrives to school on time each day and supports school policies such as discipline, safety, proper school attire, textbook care, etc.
3. Monitor your student's overall progress on a regular basis. Do not wait until progress reports and report cards are issued to find out how your student is doing in school.
4. If your student is struggling with their schoolwork or needs help, speak with his/her advisor and/or teachers and ensure that your student attends tutoring.
5. Help your student establish a regular time and place to study and to complete their homework and school projects.
6. Talk to your student about what is happening at school and what they are learning.

7. Attend all scheduled parent/teacher conferences, school activities and parent educational workshops.
8. Support your student's school by considering volunteer opportunities.

Student Programs and Operations

Attendance

The foundation of student academic success is excellent attendance. LALA wants to partner with all parents to ensure students attend regularly and to address any issues that impact attendance. The complete Attendance Policy, including LALA's truancy procedures and consequences for absenteeism, is available for review in the main office and on the school website.

School Field Trips

Students may participate in field trips throughout the school year. These trips are part of the interdisciplinary curriculum and may include walking trips and/or chartered bus transportation. The teacher may request in advance that a parent attend a fieldtrip to support with their child's supervision if the teacher has safety concerns. The complete Field Trip Policy is available for review in the main office and on the school website.

Records and Information Changes

It is the responsibility of parents/guardians to inform the Main Office or Family Outreach Coordinator immediately if there is a change in mailing address, telephone numbers or emergency contact names. Keeping our records up to date helps us to ensure your child's safety and success. The school cannot assume responsibility for missed communications in the event that the contact information is misreported or not updated by the parent or guardian.

Voluntary Withdrawal Process

In the event that a parent/guardian decides to withdraw their student from LALA, our staff will strive to provide the smoothest transition to enroll in the new school.

LALA encourages parents to first schedule an appointment with the Principal to discuss the reasons for withdrawal, by means of an exit interview
Students will have teacher sign them out and enter their final grades

Student will need to bring all textbooks and other school property on their last day of attendance to be checked in to clear student account

Parent/Guardian will be asked to turn in the Withdrawal Form to the Main Office at the end of the day. When this form is turned in, the student's account will be closed out and student will be withdrawn.

LALA will provide the Charter School Complaint Notice

Transcripts and records will be provided upon request from the next school of enrollment.

LALA will send notice to the student's district of residence that the student has withdrawn from the Charter School.

Transcripts, grades and diplomas may be withheld from the parent/guardian and student due to un-cleared student accounts if a student willfully damages the Charter School's property or the personal property of a Charter School employee, or fails to return a textbook, library book, computer/tablet or other Charter School property that has been loaned to the student, the student's parents/guardians are liable for all damages caused by the student's misconduct not to exceed ten thousand dollars (\$10,000), adjusted annually for inflation.

After notifying the student's parent or guardian in writing of the student's alleged misconduct and affording the student due process, LALA may withhold the student's grades, transcripts and diploma until the damages have been paid. If the student and the student's parent/guardian are unable to pay for the damages or to return the property, LALA will provide a program of voluntary work for the minor in lieu of the payment of monetary damages. Upon completion of the voluntary work, the student's grades, transcripts and diploma will be released.

Note: LALA will comply with the law and ensure that proper and detailed documentation of enrollment is kept.

Involuntary Removal Process

No student shall be involuntarily removed by the Charter School for any reason unless the parent or guardian of the student has been provided written notice of intent to remove the student no less than five (5) schooldays before the effective date of the action ("Involuntary Removal Notice"). The written notice shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder. The Involuntary Removal Notice shall include the charges against the student and an explanation of the student's basic rights including the right to request a hearing before the effective date of the action. The hearing shall be consistent with the Charter School's expulsion procedures. If the student's parent, guardian, or educational rights holder requests a hearing, the student shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to the Charter School's suspension and expulsion policy.

Upon parent/guardian request for a hearing, the Charter School will provide notice of hearing consistent with its expulsion hearing process, through which the student has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the student has the right to bring legal counsel or an advocate. The notice of hearing shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the

student's educational rights holder, and shall include a copy of the Charter School's expulsion hearing process.

If the parent/guardian is nonresponsive to the Involuntary Removal Notice, the student will be disenrolled as of the effective date set forth in the Involuntary Removal Notice. If the parent/guardian requests a hearing and does not attend on the date scheduled for the hearing the student will be disenrolled effective the date of the hearing.

If, as a result of the hearing, the student is disenrolled, notice will be sent to the student's last known school district of residence within thirty (30) days.

A hearing decision not to disenroll the student does not prevent the Charter School from making a similar recommendation in the future should student truancy continue or re-occur.

Student Dress Code Policy

Because student attire affects the learning environment, our dress code policy aims to minimize distractions in order to focus students on academics rather than appearance. LALA-Issued PE Shirt

LALA-Issued PE shorts (fingers length or longer)

The physical education attire is only to be worn during the P.E. class. Students will be required to change back into the school uniform when the P.E. class ends each day.

Dress Code Non-Compliance Consequences

Students are responsible for coming to school in uniform each day. Students who are not in compliance with the dress code policy will receive consequences per the discipline policy.

Free Dress Guidelines

On days when we allow students to wear “free dress,” all students must follow our free dress policy. Pants must fit at the waist and not sag. Pants may not have any holes or be shredded. Students may wear jeans. Underwear should not be visible. Leggings are appropriate only when worn with a skirt or dress. Shorts, skirts, and dresses must be fingers length or longer. If a student chooses to wear closed-toe footwear that makes exercise difficult, he/she must bring alternate shoes for P.E. With the exception of the above, all other provisions of the regular Dress Code Policy remain in effect on free-dress days.

A copy of the Dress Code Policy is available in the main office and on the school website.

Discipline Policy

LALA has a discipline plan that is progressive in nature and has a balance between teaching values, interventions and consequences. The main features of the discipline plan include, but are not limited to, the following:

Behavior Values: *mutual respect, responsibility, appreciation of differences, honesty, safety, participation in the learning process, and respect and care of the property and environment*

Rules of Conduct and Behavior: *attendance policy, dress code policy, technology policy, homework policy*

Consequences: *warning and reminder, consequences to promote reflection, disciplinary referral to the office, loss of privileges, in-house suspension, suspension/parental supervision*

Intervention Strategies: *alternative programming, behavior modification, Student Success Team, problem solving/contracting, alternatives to suspension*

Each family receives a copy of these policies within the Charter School's *Student Handbook* and is asked to verify that the policies have been reviewed with their children at the time of enrollment or at the beginning of the school year.

LALA uses the strategies of *School-Wide Positive Behavior Intervention and Supports* ("SWPBIS"), which is a research-based and highly-effective approach to creating, teaching, and reinforcing students' social, emotional, and academic learning skills established by the U.S. Department of Education's Office of Special Education Programs.

Tiered Behavior Intervention

The LALA discipline system seeks to create a learning community that is a safe, respectful, responsible, and caring environment. LALA recognizes that to support our programs we must teach, model, and reinforce the *SWPBIS* program. Based on studies that show punishment is less effective than prevention, the goal of *SWPBIS* is to create a climate in which appropriate behavior is the norm. *SWPBIS* provides an operational framework for achieving this outcome through a three-tiered model.

**Please note that the examples listed under each infraction category (Tiers I-III) are not exhaustive, and only serve as common examples of behaviors addressed within each Tier.

Tier I – Core Instruction

Tier I is built on a strong community and school connection that engages all stakeholders (students, staff, parents/guardians and community members) in the development of relational norms and expectations. *SWPBIS* entails the explicit teaching of school-wide norms for behavior.

In order to promote positive behaviors, LALA will consistently implement Tier I support systems. All teachers and support staff will maximize structures in the classroom and throughout the Charter School to develop predictable routines that promote positive, collaborative behaviors. All rules will be clearly stated, posted and explicitly taught in the classroom, using examples and practice activities. Rules will also be posted throughout the Charter School.

At Tier I, *SWPBIS* provides a continuum of strategies for teachers to use in their classrooms.

Tier I Infractions

- Classroom disruptions (e.g. speaking out, out of seat)
- Occasional tardiness
- Disturbing/Distressing other student/s
- Incomplete work/Lack of participation/Poor teamwork
- Inappropriate clothing for school
- Non-compliance with rules

Tier I Consequences

- Use time-to-think, demerit, loss of privileges or points consistently and non-emotionally assigned
- Assign student a written apology assignment
- Assign contribution plan (e.g. contributing back to the classroom environment)
- Call parents and alert them about behavior, eliciting their partnership
- With the student, develop a contract with explicit expectations for behavior and consequences

Tier II: Strategic or Supplemental Intervention

At Tier II, teachers will use research-based instruction, intervention strategies, and best practices to deliver intervention to students when differentiation of Tier I supports has proven insufficient in improving appropriate social behaviors, preventing problem behaviors, or reducing them, whether inside or outside the classroom environment.

In Tier II, the Charter School will use social skills instruction to increase integration of problem-solving, conflict resolution, and anger management, creating opportunities for the student to learn empathy throughout the day.

Strategies can include de-briefing, priming, and reflection. Teachers and support staff will ensure self-management/self-monitoring is explicitly taught and supported.

Tier II Infractions

- Fighting/Aggressive behavior
- Excessive tardiness/truancy
- Bullying, harassment, sexual harassment
- Vandalism/Graffiti/Theft

Tier II Consequences

- Re-teach group expectations, routines, and strategies, modify grouping patterns
- Use systematic positive reinforcement for students when they act appropriately
- Use mentoring strategies; assign a mentor
- Utilize a daily report card, involving parents and other staff in a partnership of support
- Possible referral for suspension and/or expulsion

Tier III: Intensive Intervention

At Tier III, LALA will use the most intensive level of intervention and instruction and will base it on assessed need(s). Students requiring Tier III supports will continue to receive support and instruction provided at the Tier I and Tier II levels. When a student's behavior begins to interfere with his or her educational achievement and social interaction with peers and adults, a Functional Behavior Assessment ("FBA") may be proposed to develop a behavior contract. When developing the FBA, a description of the behavior, its frequency, intensity, and duration, and the hypothesized function of the behavior will be included, as well as data collection and analysis.

Tier III Infractions

- Violate Charter School policies
- Violate Board policies or state/federal laws
- Chronic Level II behaviors requiring administrator involvement

Tier III Consequences

- Convene a Student Success Team
- Parent Conference
- Use debriefing forms to address misconduct
- Possible referral for suspension and/or expulsion
- Refer to community agencies
- Assign campus responsibilities
- Provide conflict resolution training, peer mediation, anger management
- Encourage enrichment activities (after school clubs)
- Assign Alternatives to Suspension, including in-school suspension
- Consult with community agencies (e.g. probation, Mental Health Centers, Children's Services)

Professional Development

Professional development at LALA will include ongoing classroom management workshops and training provided by the Director of Student Support Services and Principal to help classroom staff meet the challenge of fully educating students, while teaching and modeling appropriate behavior. Professional development topics may include:

Support the different responsibilities of staff members, including the provision of mandatory training for all staff involved in discipline.

Address preventive plans including strategies for ensuring that social-emotional skills are taught consistently and with fidelity through state-adopted violence prevention curriculum, as well as strategies for classroom management, behavioral expectations and individual and group support.

Provide sufficient training and resources for school staff to understand the function of behavior and how to best support appropriate behavior.

Address how to develop and implement effective, individual, tailored behavior support plans for all students, with or without disabilities.

Embed policy information and create alignment with all other professional development and training offered to administrators, teachers, support staff and parents.

Personal Property

Students will be responsible for any personal items brought to school. LALA is not responsible for any lost or stolen items kept in student backpacks or school lockers, whether they are school-issued textbooks and other materials, or personal items including electronic devices and modes of transportation. Students are encouraged not to leave any of their belongings unattended for any period of time.

Any items of value found should be returned to the main office or assistant principal's office. Other found items can be claimed from the Lost and Found. Unclaimed items will be donated to a local charity at the end of each quarter. Please check immediately if you have lost an item.

Lost or Damaged School Property

If a student willfully damages the Charter School's property or the personal property of a Charter School employee, or fails to return a textbook, library book, computer/tablet or other Charter School property that has been loaned to the student, the student's parents/guardians are liable for all damages caused by the student's misconduct not to exceed ten thousand dollars (\$10,000), adjusted annually for inflation. After notifying the student's parent or guardian in writing of the student's alleged misconduct and affording the student due process, Charter School may withhold the student's grades, and transcripts, until the damages have been paid. If the student and the student's parent/guardian are unable to pay for the damages or to return the property, Charter School will provide a program of voluntary work for the minor in lieu of the payment of monetary damages. Upon completion of the voluntary work, the student's grades will be released.

Transportation

Students may ride a skateboard or bicycle to school. Upon arriving to campus, students must store their skateboard or bicycle in a designated storage area. Students may not ride their skateboard or bike during the school day or on school grounds. Students who do not adhere to these conditions will have their skateboard/bicycle confiscated. Only the parent/guardian may retrieve the confiscated item.

*****The school is not responsible for any loss or damage to equipment.**

Dances and School Sponsored Events

Dress for most school-sponsored social events outside of the regular instructional day must adhere to the "free-dress policy." Students who are not dressed appropriately will not be allowed to participate in the activity. An ID card is required to enter school-sponsored events. Students must remain inside or within designated areas once they have arrived. Once a student leaves the event, the student cannot return.

Parents/guardians are expected to pick up their student immediately following the end of the event.

Parents/guardians are also invited to help chaperone school events such as dances and parties. Students are expected to follow school rules at all school-sponsored events. Students may be prevented from participating in school activities if there is an existing school debt or disciplinary concern.

All dancing should be done with dignity and self-respect. Any chaperone seeing any inappropriate dancing will ask the student(s) to call home and he/she will be escorted from the dance.

Child Find/Special Education

We are dedicated to the belief that all students can learn and must be guaranteed equal opportunity to become contributing members of the academic environment and society. The School provides special education instruction and related services in accordance with the Individuals with Disabilities in Education Improvement Act (“IDEIA”), Education Code requirements, and applicable policies and procedures of the Los Angeles Unified School District SELPA. These services are available for special education students enrolled at the School. We offer high quality educational programs and services for all our students in accordance with the ~~assessed~~ needs of each student. The School collaborates with parents, the student, teachers, and other agencies, as may be indicated, in order to appropriately serve the educational needs of each student.

Pursuant to the IDEA and relevant state law, the Charter School is responsible for identifying, locating, and evaluating children enrolled at the Charter School with known or suspected disabilities to determine whether a need for special education and related services exists. This includes children with disabilities who are homeless or foster youth. The Charter School shall not deny nor discourage any student from enrollment solely due to a disability. If you believe your child may be eligible for special education services, please contact Tina Butler, 213-503-0772.

Section 504

The Charter School recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the basis of disability, be excluded from participation, be denied the benefits of, or otherwise subjected to discrimination under any program of the Charter School. Any student who has an objectively identified disability which substantially limits a major life activity, including, but not limited to learning, is eligible for accommodations by the Charter School. The parent of any student suspected of needing or qualifying for accommodations under Section 504 may make a referral for an evaluation to the Chief Executive Officer/Superintendent . A copy of the Charter School’s Section 504 policies and procedures is available upon request at the main office and on the school website.

Nondiscrimination Statement

The Charter School does not discriminate against any person on the basis of actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, immigration status, religion, religious affiliation, sexual orientation, pregnancy, or any other characteristic that is contained in the definition of hate crimes in the California Penal Code.

The Charter School adheres to all provisions of federal law related to students with disabilities, including, but not limited to, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities

Act of 1990 (“ADA”), and the Individuals with Disabilities Education Improvement Act of 2004 (“IDEIA”).

The Charter School does not discourage students from enrolling or seeking to enroll in the Charter School for any reason, including, but not limited to, academic performance, disability, neglect or delinquency, English proficiency, for being homeless or a foster/mobile youth, economic disadvantage, nationality, race, ethnicity, or sexual orientation. The Charter School shall not encourage a student currently attending Charter School to disenroll or transfer to another school based on any of the aforementioned reasons except in cases of expulsion and suspension or involuntary removal in accordance with the Charter School’s charter and relevant policies.

The Charter School does not request nor require student records prior to a student’s enrollment.

The Charter School shall provide a copy of the California Department of Education Complaint Notice and Form to any parent, guardian, or student over the age of 18 at the following times: (1) when a parent, guardian, or student over of the age of 18 inquires about enrollment; (2) before conducting an enrollment lottery; and (3) before disenrollment of a student.

The Charter School is committed to providing an educational atmosphere that is free of unlawful harassment under Title IX of the Education Amendments of 1972 (sex); Titles IV, VI, and VII of the Civil Rights Act of 1964 (race, color, or national origin); The Age Discrimination Act of 1975; the IDEIA; and Section 504 and Title II of the ADA (mental or physical disability). The Charter School also prohibits sexual harassment, including cyber sexual bullying, and harassment based upon pregnancy, childbirth or related medical conditions, race, religion, religious affiliation, creed, color, immigration status, gender, gender identity, gender expression, national origin or ancestry, physical or mental disability, medical condition, marital status, age, sexual orientation, or any other basis protected by federal, state, local law, ordinance or regulation. The Charter School does not condone or tolerate harassment of any type, including discrimination, intimidation, or bullying, including cyber sexual bullying, by any employee, independent contractor or other person with which the Charter School does business, or any other individual, student, or volunteer. This applies to all employees, students, or volunteers and relationships, regardless of position or gender. The Charter School will promptly and thoroughly investigate any complaint of harassment and take appropriate corrective action, if warranted. Inquiries, complaints, or grievances regarding harassment as described in this section, above, should be directed to the Charter School Uniform Complaint Procedures (“UCP”) Compliance Officer:

Arina Goldring-Ravin
Chief Executive Officer/Superintendent
2670 Griffin Ave.
Los Angeles, California, 90031
213-381-8484
agoldring@laleadership.org

The lack of English language skills will not be a barrier to admission or participation in the Charter School’s programs or activities. The Charter School prohibits retaliation against anyone who files a complaint or who participates or refuses to participate in a complaint investigation.

Visitors and Volunteers

Visitors and volunteers are welcome on the LALA campus, in accordance with the complete Classroom Visitors and Volunteers Policy, located on the school website and in the main office.

All visitors are asked to comply with current mandated and recommended health and safety protocols. Visitors (including volunteers) who demonstrate signs of a contagious disease (e.g. fever, coughing) may be denied registration. When recommended or requested by the Department of Public Health, visitors will be required to wear personal protective equipment, such as masks, and practice social distancing. EBIA reserves the right to implement additional measures for the protection of its school community, such as requiring forehead temperature checks before entry to the same extent being utilized for students and employees.

If the visitor is a government officer/official (including but not limited to local law enforcement officers, immigration enforcement officers, social workers, district attorneys, or U.S. attorneys) the officer/official will also be asked to produce any documentation that authorizes school access. LALA shall make reasonable efforts to notify parents or guardians prior to permitting a student to be interviewed or searched, consistent with the law and/or any court order, warrant or instructions from the officer/official. A copy of the documentation provided by the officer and notes from the encounter may be maintained by LALA consistent with the law. The Board of Directors and Bureau of Children's Justice in the California Department of Justice, at BCJ@doj.ca.gov, will be timely informed regarding any attempt by a law-enforcement officer to access a school site or a student for immigration-enforcement purposes, as recommended by the Attorney General.

The **Chief Executive Officer/Superintendent** or designee may refuse to provide or withdraw consent to be on campus even if the visitor has a right to be on campus whenever there is reason to believe that the person has willfully disrupted or is likely to disrupt LALA's orderly operation. The Chief Executive Officer/Superintendent or designee may request that a visitor who has failed to register, or whose registration privileges have been denied or withdrawn, promptly leave school grounds. When a visitor is directed to leave, the **Chief Executive Officer/Superintendent** or designee shall inform the visitor that if he/she reenters the school without following the posted requirements he/she will be guilty of a misdemeanor.

Education of Foster and Mobile Youth

Definitions: For the purposes of this annual notice the terms are defined as follows:

1. "Foster youth" refers to any child who has been removed from their home pursuant Welfare and Institutions Code section 309 and/or is the subject of a petition filed under Welfare and Institutions Code section 300 or 602. This includes children who are the subject of cases in dependency court and juvenile justice court.
2. "Former juvenile court school pupils" refers to a student who, upon completion of the student's second year of high school, transfers from a juvenile court school to the Charter School.
3. "Child of a military family" refers to a student who resides in the household of an active duty military member.
4. "Currently Migratory Child" refers to a child who, within the last 12-months, has moved with a parent, guardian, or other person having custody to the Charter School from another Local Educational Agency ("LEA"), either within California or from another state, in order that the

child or a member of the child’s immediate family might secure temporary or seasonal employment in an agricultural or fishing activity, and whose parents or guardians have been informed of the child’s eligibility for migrant education services. “Currently Migratory Child” includes a child who, without the parent/guardian, has continued to migrate annually to secure temporary or seasonal employment in an agricultural or fishing activity.

5. “Pupil participating in a newcomer program” means a pupil who is participating in a program designed to meet the academic and transitional needs of newly arrived immigrant pupils that has as a primary objective the development of English language proficiency.

Within this notice, foster youth, former juvenile court school pupils, a child of a military family, a currently migratory child, and a pupil participating in the newcomer program will be collectively referred to as “Foster and Mobile Youth.” Within this notice, a parent, guardian, or other person holding the educational rights for a Foster and Mobile Youth will be referred to as a “parent/guardian.”

Foster and Mobile Youth Liaison: The Chief Executive Officer/Superintendent or designee designates the following staff person as the Liaison for Foster and Mobile Youth:

Arina Goldring-Ravin
Chief Executive Officer/Superintendent
2670 Griffin Ave.
Los Angeles, California, 90031
213-381-8484
agoldring@laleadership.org

The Foster and Mobile Youth Liaison’s responsibilities include but are not limited to the following:

1. Ensuring and facilitating the proper educational placement, enrollment in school, and checkout from school of foster children.
2. Assisting foster children when transferring from one school to another school in ensuring proper transfer of credits, records and grades.

School Stability: The Charter School will work with foster youth and their parent/guardian to ensure that each pupil is placed in the least restrictive educational programs, and has access to the academic resources, services, and extracurricular and enrichment activities that are available to all pupils, including, but not necessarily limited to, interscholastic sports. All decisions regarding a foster youth’s education and placement will be based on the best interest of the child and shall consider, among other factors, educational stability and the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress.

Foster youth, currently migratory children and children of military families have the right to remain in their school of origin if it is in their best interest. The Charter School will immediately enroll a foster youth, currently migratory child or child of a military family seeking reenrollment in the Charter School as the student’s school of origin (subject to the Charter School’s capacity and pursuant to the procedures stated in the Charter School’s charter and Board policy). If a dispute arises regarding a foster youth’s request to remain in the Charter School as the school of origin, the foster youth has the

right to remain in the Charter School pending the resolution of the dispute. The Charter School will also immediately enroll any foster youth, currently migratory child or child of a military family seeking to transfer to the Charter School (subject to the Charter School's capacity and pursuant to the procedures stated in the Charter School's charter and Board policy) regardless of the student's ability to meet normal enrollment documentation or uniform requirements (e.g., producing medical records or academic records from a previous school).

Foster youth, currently migratory children, and children of military families have the right to remain in their school of origin following the termination of the child's status as a foster youth, currently migratory child or child of a military family, as follows:

1. For students in Kindergarten through eighth grade, inclusive, the student will be allowed to continue in the school of origin through the duration of the academic year in which the student's status changed.
2. For students enrolled in high school, the student will be allowed to continue in the school of origin through graduation.

Graduation Requirements: Foster and Mobile Youth who transfer to the Charter School any time after the completion of their second year of high school, and pupils participating in a newcomer program who are in their third or fourth year of high school, shall be exempt from any of the Charter School's graduation requirements that are in excess of the California minimum graduation requirements specified in Education Code section 51225.3 ("additional graduation requirements") unless the Charter School makes a finding that the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fourth year of high school.

To determine whether a Foster and Mobile Youth is in their third or fourth year of high school, either the number of credits the student has earned to the date of transfer or the length of the student's school enrollment may be used, whichever will qualify the student for the exemption. In the case of a pupil participating in a newcomer program, enrollment in grade 11 or 12 may be used to determine whether the student is in their third or fourth year of high school.

Within thirty (30) calendar days of the date that a student who may qualify for exemption under the above requirements transfers into the Charter School, the Charter School shall notify the student, the parent/guardian, and where applicable, the student's social worker or probation officer, of the availability of the exemption and whether the student qualifies for an exemption.

The Charter School shall notify students who are exempted from the Charter School's additional graduation requirements and the student's parent/guardian how any of the requirements that are waived will affect the pupil's ability to gain admission to a postsecondary educational institution and provide information about transfer opportunities available through the California Community Colleges.

The Charter School shall not require any student who would otherwise be entitled to remain in attendance at the Charter School to accept the exemption from the Charter School's additional graduation requirements or deny the student enrollment in, or the ability to complete, courses for which the student is otherwise eligible. The Charter School shall not revoke an exemption and shall grant an eligible student's request for the exemption at any time if the student qualifies, regardless of whether the student previously declined the exemption. An eligible student's exemption from the Charter School's additional graduation requirements

will continue to apply while the student is enrolled in the Charter School or if the student transfers to another school even after the court's jurisdiction terminates or the student no longer meets the definition of a child of a military family, a currently migratory child or a pupil participating in a newcomer program.

The Charter School shall not require or request that a student transfer schools in order to qualify the student for the exemption. Nor shall a student, a student's parent/guardian or educational rights holder, or a student's social worker or probation officer request a transfer solely to qualify for an exemption from the Charter School's additional graduation requirements.

If a student who is exempted from the Charter School's additional graduation requirements completes the California minimum coursework requirements specified in Education Code section 51225.3 before the end of the student's fourth year of high school and would otherwise be entitled to remain in attendance at the Charter School, the Charter School shall not require or request that the student graduate before the end of the student's fourth year of high school.

If the Charter School determines the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fifth year of high school, the Charter School shall do the following:

1. Inform the student of the student's option to remain at the Charter School for a fifth year to complete the Charter School's graduation requirements.
2. Inform the student, and the educational rights holder for the student, about how remaining in school for a fifth year to complete the Charter School's graduation requirements will affect the student's ability to gain admission to a postsecondary educational institution.
3. Provide information to the student about transfer opportunities available through the California Community Colleges.
4. Permit the student to stay at the Charter School for a fifth year to complete the Charter School's graduation requirements upon agreement with the student, if the student is 18 years of age or older, or, if the student is under 18 years of age, upon agreement with the educational rights holder for the student.

Acceptance of Course Work: The Charter School will accept any coursework satisfactorily completed at any public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency by a Foster and Mobile Youth.

The Charter School will provide Foster and Mobile Youth credit for the partial completion of courses taken while attending a public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency. If the student did not complete the entire course, the Charter School shall not require the student to retake the portion of the course the student completed unless the Charter School, in consultation with the holder of educational rights for the student, finds that the pupil is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the Foster and Mobile Youth shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. These students shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

Student Records: When the Charter School receives a transfer request and/or student records request for the educational information and records of a foster youth from a new local educational agency

(“LEA”), the Charter School shall provide these student records within two (2) business days. The Charter School shall compile the complete educational record of the student, including but not limited to a determination of seat time, full or partial credits earned, current classes and grades, immunization and other records, and, if applicable, a copy of the student’s special education records including assessments, IEPs, and/or 504 plans. All requests for student records will be shared with the Foster and Mobile Youth Liaison, who shall be aware of the specific educational record keeping needs of Foster and Mobile Youth.

The Charter School shall not lower a foster youth’s grades as a result of the student’s absence due to a verified court appearance, related court ordered activity, or a change the placement of the student made by a county or placing agency. If a foster youth is absent from school due to a decision to change the placement of the student made by a county or placing agency, the grades and credits of the pupil will be calculated as of the date the student left the Charter School.

In accordance with the Charter School’s Educational Records and Student Information Policy, under limited circumstances, the Charter School may disclose student records or personally identifiable information contained in those records to certain requesting parties including but not limited to a foster family agency and state and local authorities within a juvenile justice system, without parent/guardian consent.

Discipline Determinations: If the Charter School intends to extend the suspension of any foster youth pending a recommendation for expulsion, the Charter School will invite the student’s attorney and an appropriate representative from the relevant county agency to participate in the meeting at which the extension of the suspension will be discussed.

If the Charter School intends to suspend for more than ten (10) consecutive school days or expel a student with a disability who is also a foster youth due to an act for which the recommendation for expulsion is discretionary, the Charter School will invite the student’s attorney and an appropriate representative from the relevant county agency to participate in the Manifestation Determination Review meeting.

Complaints of Noncompliance: A complaint of noncompliance with any of the requirements outlined above may be filed through the Charter School’s Uniform Complaint Procedures. A copy of the Uniform Complaint Policy and Procedures is available upon request at the main office.

Availability of Complete Policy: For any Foster and Mobile Youth who enrolls at the Charter School, a copy of the Charter School’s complete foster youth policy shall be provided at the time of enrollment. A copy of the complete Policy is available upon request at the main office and on the school website.

Education of Homeless Children and Youth

The term “homeless children and youth” means individuals who lack a fixed, regular and adequate nighttime residence. It includes children and youths who (42 U.S.C. § 11434a):

1. Are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of

- alternative adequate accommodations; are living in emergency or transitional shelters; or are abandoned in hospitals;
2. Have a primary nighttime residence that is a public or private place not designed for or ordinarily used as regular sleeping accommodations for human beings;
 3. Are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; and/or
 4. Migratory children and unaccompanied youth (youth not in the physical custody of a parent or guardian) may be considered homeless if they meet the above definition of “homeless.”

Homeless status is determined in cooperation with the parent or guardian. In the case of unaccompanied youth, status is determined by the Charter School Liaison.

School Liaison: The Chief Executive Officer/Superintendent or designee designates the following staff person as the School Liaison for homeless students (42 U.S.C. § 11432(g)(1)(J)(ii)):

High School Graduation Requirements: Homeless students who transfer to the Charter School any time after the completion of their second year of high school shall be exempt from any of the Charter School's graduation requirements that are in excess of the California minimum graduation requirements specified in Education Code section 51225.3 ("additional graduation requirements") unless the Charter School makes a finding that the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fourth year of high school.

To determine whether a homeless student is in their third or fourth year of high school, either the number of credits the student has earned to the date of transfer or the length of the student's school enrollment may be used, whichever will qualify the student for the exemption.

Within thirty (30) calendar days of the date that a student who may qualify for exemption under the above requirements transfers into the Charter School, the Charter School shall notify the student, the student's educational rights holder, and the School Liaison of the availability of the exemption and whether the student qualifies for an exemption.

The Charter School shall notify students who are exempted from the Charter School's additional graduation requirements and the student's educational rights holder of how any of the requirements that are waived will affect the student's ability to gain admission to a postsecondary educational institution and provide information about transfer opportunities available through the California Community Colleges.

The Charter School shall not require any student who would otherwise be entitled to remain in attendance at the Charter School to accept the exemption from the Charter School's additional graduation requirements or

deny the student enrollment in, or the ability to complete, courses for which the student is otherwise eligible. The Charter School shall not revoke an exemption and shall grant an eligible student's request for the exemption at any time if the student qualifies, regardless of whether the student previously declined the exemption. An eligible student's exemption from the Charter School's additional graduation requirements will continue to apply while the student is enrolled in the Charter School or if the student transfers to another school even after the student no longer meets the definition of a homeless child.

The Charter School shall not require or request that a student transfer schools in order to qualify the student for the exemption. Nor shall a student, a student's parent/guardian or educational rights holder, or a student's social worker or probation officer request a transfer solely to qualify for an exemption from the Charter School's additional graduation requirements.

If a student who is exempted from the Charter School's additional graduation requirements completes the California minimum coursework requirements specified in Education Code section 51225.3 before the end of the student's fourth year of high school and would otherwise be entitled to remain in attendance at the Charter School, the Charter School shall not require or request that the student graduate before the end of the student's fourth year of high school.

If the Charter School determines the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fifth year of high school, the Charter School shall do the following:

1. Inform the student of the student's option to remain at the Charter School for a fifth year to complete the Charter School's graduation requirements.
2. Inform the student, and the educational rights holder for the student, about how remaining in school for a fifth year to complete the Charter School's graduation requirements will affect the student's ability to gain admission to a postsecondary educational institution.
3. Provide information to the student about transfer opportunities available through the California Community Colleges.
4. Permit the student to stay at the Charter School for a fifth year to complete the Charter School's graduation requirements upon agreement with the student, if the student is 18 years of age or older, or, if the student is under 18 years of age, upon agreement with the educational rights holder for the student.

Acceptance of Course Work: The Charter School will accept any coursework satisfactorily completed at any public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency by a homeless student.

The Charter School will provide homeless students credit for the partial completion of courses taken while attending a public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency. If the student did not complete the entire course, the Charter School shall not require the student to retake the portion of the course the student completed unless the Charter School, in consultation with the holder of educational rights for the student, finds that the student is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the homeless student shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete

the entire course. These students shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

For any homeless student who enrolls at the Charter School, a copy of the Charter School's complete policy shall be provided at the time of enrollment. A copy of the complete Policy is available upon request at the main office and on the school website.

National School Lunch Program: Free and Reduced-Price Meals

The Charter School participates in the National School Lunch Program. Applications for free or reduced-price meals are included in the first day packets to all families and can also be obtained on the Charter School website and in the main office. All families are encouraged to complete the application form in order to include as many eligible students as possible. Completed application forms can be returned to the main office. The Charter School will provide each student who meets federal eligibility criteria for free and reduced-price meals with at least one free or reduced-price, nutritionally adequate meal per school day.

A copy of the complete Policy is available upon request at the main office and on the school website. The Charter School also maintains a School Wellness Policy pursuant to state and federal requirements.

Student Records, including Records Challenges and Directory Information

The Family Educational Rights and Privacy Act ("FERPA") affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 5 business days after the day the Charter School receives a request for access. Parents or eligible students should submit to the Charter School **Chief Executive Officer/Superintendent** or designee a written request that identifies the records they wish to inspect. The Charter School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask the Charter School to amend a record should write the Charter School's **Chief Executive Officer/Superintendent** or designee, clearly identify the part of the record they want changed and specify why it should be changed. If the Charter School decides not to amend the record as requested by the parent or eligible student, the Charter School will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing. If the Charter School decides to amend the record as requested by the parent or eligible student, the **Chief Executive Officer/Superintendent**

must order the correction or the removal and destruction of the information and inform the parent or eligible student of the amendment in writing.

3. The right to provide written consent before the Charter School discloses personally identifiable information (“PII”) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to Charter School officials with legitimate educational interests. A Charter School official is a person employed by the Charter School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the Charter School’s Board of Directors. A Charter School official also may include a volunteer, consultant, vendor, or contractor outside of the Charter School who performs an institutional service or function for which the Charter School would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, therapist, or contracted provider of digital educational platforms and/or services; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another Charter School official in performing their tasks. A Charter School official has a legitimate educational interest if the official needs to review an education record in order to fulfill their professional responsibility.

Upon request, the Charter School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled, if the disclosure is for purposes of the student’s enrollment or transfer.

Note that Charter School will not release information to third parties for immigration-enforcement purposes, except as required by law or court order.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the Charter School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Student Privacy Policy Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

5. The right to request that the Charter School not release student names, addresses and telephone listings to military recruiters or institutions of higher education without prior written parental consent.

FERPA permits the disclosure of PII from a student’s education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to Charter School officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student,

§99.32 of the FERPA regulations requires the Charter School to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A Charter School may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student to the following parties:

1. Charter School officials who have a legitimate educational interest as defined by 34 C.F.R. Part 99;
2. Other schools to which a student seeks or intends to enroll so long as the disclosure is for purposes related to the student's enrollment or transfer. When a student transfers schools, the Charter School will mail the original or a copy of a student's cumulative file to the receiving district or private school within ten (10) school days following the date the request is received from the public school or private school where the student intends to enroll. The Charter School will make a reasonable attempt to notify the parent or eligible student of the request for records at the parent's or eligible student's last known address, unless the disclosure is initiated by the parent or eligible student. Additionally, the Charter School will give the parent or eligible student, upon request, a copy of the record that was disclosed and give the parent or eligible student, upon request, an opportunity for a hearing;
3. Certain government officials listed in 20 U.S.C. § 1232g(b)(1) in order to carry out lawful functions;
4. Appropriate parties in connection with a student's application for, or receipt of, financial aid if it is necessary to determine eligibility, amount of aid, conditions for aid or enforcing the terms and conditions of the aid;
5. Organizations conducting certain studies for the Charter School in accordance with 20 U.S.C. § 1232g(b)(1)(F);
6. Accrediting organizations in order to carry out their accrediting functions;
7. Parents of a dependent student as defined in section 152 of the Internal Revenue Code of 1986;
8. Individuals or entities, in compliance with a judicial order or lawfully issued subpoena. Subject to the exceptions found in 34 C.F.R. § 99.31(a)(9)(i), reasonable effort must be made to notify the parent or eligible student of the order or subpoena in advance of compliance, so that the parent or eligible student may seek a protective order;
9. Persons who need to know in cases of health and safety emergencies;
10. State and local authorities, within a juvenile justice system, pursuant to specific State law;
11. A foster family agency with jurisdiction over a currently enrolled or former student, a short-term residential treatment program staff responsible for the education or case management of a student, and a caregiver (regardless of whether the caregiver has been appointed as the student's educational rights holder) who has direct responsibility for the care of the student, including a certified or licensed foster parent, an approved relative or nonrelated extended family member, or a resource family, may access the current or most recent records of grades, transcripts, attendance, discipline, and online communication on platforms established by the Charter School for students and parents, and any individualized education program ("IEP") or Section 504 plan that may have been developed or maintained by the Charter School; and/or
12. A victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense. The disclosure may only include the final results of the disciplinary proceedings conducted by the Charter School with respect to that alleged crime or offense. The Charter School discloses the final results of the disciplinary proceeding regardless of whether the Charter School concluded a violation was committed.

“Directory Information” is information that is generally not considered harmful or an invasion of privacy if released. The Charter School may disclose the personally identifiable information that it has designated as directory information without a parent’s or eligible student’s prior written consent. The Charter School has designated the following information as directory information:

1. Student’s name
2. Student’s address
3. Parent’s/guardian’s address
4. Telephone listing
5. Student’s electronic mail address

15. Student ID number, user ID, or other unique personal identifier used to communicate in electronic systems that cannot be used to access education records without a PIN, password, etc. (A student’s social security number, in whole or in part, cannot be used for this purpose.)

If you do not want the Charter School to disclose directory information from your child’s education records without your prior written consent, you must notify the Charter School in writing at the time of enrollment or re-enrollment.

Complaints alleging unlawful discrimination, harassment, intimidation, or bullying, must be filed within six (6) months from the date the alleged discrimination, harassment, intimidation, or bullying, occurred or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, or bullying. All other complaints under the UCP shall be filed not later than one (1) year from the date the alleged violation occurred. For complaints relating to the LCAP, the date of the alleged violation is the date on which the Charter School’s Board of Directors approved the LCAP or the annual update was adopted by the Charter School.

The Compliance Officer responsible for investigating the complaint shall conduct and complete the investigation in accordance with California regulations and the Charter School’s UCP Policy. The Compliance Officer shall provide the complainant with a final written investigation report (“Decision”) within sixty (60) calendar days from the Charter School’s receipt of the complaint. This sixty (60) calendar day time period may be extended by written agreement of the complainant.

The complainant has a right to appeal the Charter School’s Decision to the California Department of Education (“CDE”) by filing a written appeal within thirty (30) calendar days of the date of the Charter

School's written Decision, except if the Charter School has used its UCP to address a complaint that is not subject to the UCP requirements. The appeal must include a copy of the complaint filed with the Charter School, a copy of the Charter School's Decision, and the complainant must specify and explain the basis for the appeal of the Decision, including at least one of the following:

1. The Charter School failed to follow its complaint procedures.
2. Relative to the allegations of the complaint, the Charter School's Decision lacks material findings of fact necessary to reach a conclusion of law.
3. The material findings of fact in the Charter School's Decision are not supported by substantial evidence.
4. The legal conclusion in the Charter School's Decision is inconsistent with the law.
5. In a case in which the Charter School's Decision found noncompliance, the corrective actions fail to provide a proper remedy.

A complainant who appeals the Charter School's Decision on a UCP complaint to the CDE shall receive a written appeal decision within sixty (60) calendar days of the CDE's receipt of the appeal, unless extended by written agreement with the complainant or the CDE documents exceptional circumstances and informs the complainant.

Within thirty (30) calendar days of the date of the CDE's appeal Decision pursuant to 5 C.C.R. section 4633(f)(2) or (3), either party may request reconsideration by the State Superintendent of Public Instruction ("SSPI") or the SSPI's designee. The request for reconsideration shall specify and explain the reason(s) for contesting the findings of fact, conclusions of law, or corrective actions in the CDE's appeal Decision.

If a UCP complaint is filed directly with the CDE and the CDE determines that it merits direct intervention, the CDE shall complete an investigation and provide a written decision to the complainant within sixty (60) calendar days of receipt of the complaint, unless the parties have agreed to extend the timeline or the CDE documents exceptional circumstances and informs the complainant.

If the Charter School finds merit in a UCP complaint, or the CDE finds merit in an appeal, the Charter School shall take corrective actions consistent with the requirements of existing law that will provide a remedy to the affected student and/or parent/guardian as applicable.

A complainant may pursue available civil law remedies outside of the Charter School's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, however, a complainant must wait until sixty (60) calendar days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the Charter School has appropriately, and in a timely manner, apprised the complainant of the complainant's right to file a complaint in accordance with 5 C.C.R. § 4622.

A copy of the UCP shall be available upon request free of charge in the main office and on the school website. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the UCP, please contact the Chief Executive Officer/Superintendent.

CURRICULUM AND INSTRUCTION

Instructional key elements:

Parent and community connections: Partnerships with parents and community organizations create opportunities to connect classroom learning to real-world experiences and career exploration. Parent involvement is encouraged and greatly appreciated by our staff.

High expectations for all students: High school students take courses meeting the University of California and Cal State admission requirements, also known as A-G requirements. Many students also participate in our honors and Advanced Placement (“AP”) courses. In addition we offer study hall, academic intervention and enrichment classes during the school day, office hours with teachers, free after-school tutoring and summer school.

Technology: Through technology, students access, organize, analyze, and draw conclusions about information and data. It also is a tool for research and presentation for student projects.

Curriculum key elements:

By the time students graduate: LALA students will have fulfilled the necessary A-G coursework to make them UC and Cal State eligible. They will have had the opportunity to perform more than **200 hours of community service, and completed a college-preparatory program preparing them for admission to college. Evidence of community service may be completed through community-based projects, internships, service learning, pre-apprenticeship, or volunteer civic activities. Students may begin accumulating community service hours during middle school. Please see the community service log form located in the back of this Handbook.

Through our advisory program: Students and parents build valuable relationships with their Advisors. Our Advisors provide students advisement and support for both their academic progress and behavior, in addition to guiding them through a college-bound curriculum, facilitate awareness of social justice issues, and coach them through leadership opportunities to develop advocacy skills. As our students mature into leaders of our community at LALA, we empower them to go beyond our walls to effectively create a just and humane world.

In preparation for college: High School students complete a core curriculum meeting the University of California (“UC”) A-G requirements including four years of English, three years of Mathematics and Social Science, two years of Science, as well as Foreign Language, Physical Education, and Fine Arts and elective choices.

Athlete Eligibility

Academic - Students athletes are scholars first. To maintain a focus on successfully fulfilling rigorous graduation requirements while participating in CIF sports, athletes will be required to maintain a 2.5 minimum GPA to be eligible to play. An administrator will implement GPA eligibility checks, which will occur mid quarter and at the end of quarter. During any period in which a student is ineligible to play based on GPA, the student will be allowed to participate in sports practice only if the student attends before school tutoring session or zero period for additional support with academics.

Conduct - To maintain eligibility, students must also comply with Charter School policies and regulations pertaining to student conduct. In addition, unexcused absences will disqualify a student from practice or playing on the day of the absence.

Animal Dissections

Students at the Charter School may perform animal dissections as part of the science curriculum. Any pupil who provides his or her teacher with a written statement, signed by his or her parent/guardian, specifying the pupil’s moral objection to dissecting or otherwise harming or destroying animals, or any parts thereof, may be excused from such activities if the teacher believes that an adequate alternative education project is possible. The alternative education project shall require a comparable time and effort investment by the pupil. It shall not, as a means of penalizing the pupil, be more arduous than the original education project. The pupil shall not be discriminated against based upon his or her moral objection to dissecting or otherwise harming or destroying animals, or any parts thereof.

Overview of LALA’s Academic Expectations Grades 6-12

Our teachers expect each student will come to class fully prepared, ready, willing, and able to participate in the lessons of the day. The following expectations clearly explain how students should approach their studies.

Absences

Each student is responsible for contacting his/her teacher to receive assignments for classes they have missed, or follow classroom procedures for obtaining the missed assignment. In case of a prolonged absence, a student’s parent should contact the office for assistance.

Classroom Conduct

Students are expected to participate in all class activities as directed by the classroom teacher. Further, they are expected to assist in maintaining order by refraining from disruptive conduct.

Homework

In order to develop college and career readiness skills, students are expected to meet assignment deadlines. Homework assignments are practice work designed to reinforce concepts taught in class and are assigned by the teacher for completion at home. These practice assignments could be a combination of written, reading, study, and long-term project assignments. All assignments should be neat, complete and on time.

Materials

Each grade level will provide specific guidelines for suggested materials at the start of the school year.

Student Community Service Hours

~~Los Angeles Leadership Academy~~LALA is focused on Social Justice and Leadership. We encourage all students to demonstrate their activism and leadership by providing service hours within the school and community. Service hours are included within the high school transcript and are viewed positively by colleges and employers. A community service log form is located in the back of this Handbook. Parents are also encouraged to provide service hours. Research shows that parent involvement in school is a key component of student academic success.

Grading

LALA holds high expectations for student performance and college readiness. Courses are standards- based and teachers will assess student progress through formative and summative assessments. These assessments may include, but are not limited to, projects, traditional tests, interviews, presentations, essays, classwork and homework. When appropriate, rubrics will be provided to clarify expectations. Grades are determined by the quality of student products, formative assessments, and summative assessments. Students are expected to pass all A-G required coursework with a grade of “C” or better. Anything less than a 70% is considered an “F.” Teachers and Advisors will work closely with students to help them create goals and strategies to stay on track for both graduation and college acceptance. Please refer to this grade scale for clarification:

A+ 98-100	B+ 88-89	C+ 78-79
A 93-97	B 83-87	C 73-77

F 69% or below

A- 90-92	B- 80-82	C- 70-72

Academic Honesty Policy

LALA fosters the culture of honesty, trust, and the pursuit of academic excellence. Students will be responsible citizens who respect the rights of others. Any form of academic dishonesty such as plagiarism or cheating undermines the integrity of the academic program and its teachers, violates the rights of others, and is therefore subject to disciplinary action. This Ethical Contract is intended to protect the culture of honesty, trust, and the pursuit of academic excellence. Examples of cheating that are unacceptable at Los Angeles Leadership Academy include, but are not limited to the following:

- Cutting and pasting from the internet or texts without giving appropriate credit
- Taking words/content from others without giving credit
- Purchasing pre-written essays or papers
- Copying another student's homework
- Using notes on tests or quizzes
- Getting copies of tests or quizzes without teacher permission
- Plagiarism
- Copying or allowing another student to copy from any assignment which are to be completed independently, per teacher instructions
- Unauthorized communication with any other person during an exam
- Stealing or destroying the work of another student

Infractions and Consequences

Plagiarism is a level 2 infraction on the Tiered Discipline Policy.

1st Offense: "F" assigned on assignment/test with no opportunities for make-up. Teacher notifies parent. Consequences assigned. Incident reported to Administration in the form of a referral. Notice entered on PowerSchool to the student's file. Administration receives notification of PowerSchool log entry.

2nd Offense: "F" assigned on assignment/test with no opportunities for make-up. Teacher holds conference with parent. Notice entered on PowerSchool to the student's file. Administration then may assign further consequences.

Grade Reporting

There are eight (8) reporting periods. Although students receive grades at the conclusion of each reporting period, only semester grade reports are recorded on a student's transcript.

- Five-week progress report
- Ten-week progress report
- Fifteen-week progress report
- First semester grade report** – *reported on student transcript*
- Five-week progress report
- Ten-week progress report
- Fifteen-week progress report

Second semester grade report – reported on student transcript

Conferences

At times it may be necessary for a student and their advisor to include a parent in a student-led conference. If a student earns a letter grade of “F” on a progress report, parent permission will be requested to assign after school tutoring. If a student fails to improve his/her grade, a student/parent conference will be held to identify other strategies to provide student support.

Parent-Teacher Conferences: once a semester the school will host a parent conference evening for any parent to discuss student grades and progress. However, parents are welcome to contact the school to schedule a conference with teachers at their discretion. (We request a 24 hour notice for teachers to prepare for the conference.) In addition, teachers, counselors, and administrators may contact families for a parent conference to discuss a student’s academic and behavior progress.

Grade Book Access (PowerSchool)

Parents and students may access the student’s grade book for each course to keep updated on assignment grades, missing assignments, the overall grade for each course throughout the semester, and the student’s GPA. This grade book is accessible to students and parents via computer or smart phone app. If you need assistance with learning how to access and / or use the grade book on a computer or your phone, please contact the Family Outreach Coordinator or call the main office.

After-School Program

After-school All Stars and Youth Policy Institute (“YPI”) – Our free after-school program offers a diverse number of curricular and extracurricular programs. These activities enrich our learning environment and engage our students in meaningful ways, enabling them to become both college-ready and socially active.

The Student Leadership Council

The LALA Student Leadership Council (“Council”) is comprised of student officers elected by their peers. The Council work with parents, teachers, and administration on behalf of the student body. The Council is committed to embracing and promoting leadership in the school through a range of committees whose purpose is to serve the needs of the LALA community. The Council is dedicated to developing leadership skills, enhancing college-ready scholars, and putting into practice LALA’s social justice mission. In addition, the Council provides students with opportunities to become leaders through coordinating events, peer tutoring, working in the Student Store, fundraising, and mentoring. By working with other students, the Council encourage and develop new, empowered leaders who will continue to develop LALA’s future scholars, leaders, and activists.

As representatives of the student body, Council officers advocate for the students' well beings through advising the administration in matters concerning student privilege, behavior policies, and academic classes. The Council provides the opportunity for personal growth, leadership development, and school and community involvement.

Los Angeles Leadership Academy College Center

LALA has successfully implemented a college program that aids students in receiving access to the resources they need throughout the college application process. The LALA Counselor continues to build professional relationships with college admission counselors throughout the United States. These connections prove useful in providing the guidance our students need as they explore their college choices, especially for those who are ready and willing to make the college goal a reality for our students. Our college program curriculum has been designed as a component of our enrichment course. The focus on college preparedness increases as students move from their freshman year to their senior year and includes test preparation, essay writing and review, researching college choices, and preparing a common application.

Students can additionally choose to take advantage of an opportunity to take college courses as high school students at the high school campus, on college campuses, or take part in numerous summer program internships provided through business and community partnerships. Our college center serves students, parents, alumni, faculty and staff as a resource for college, scholarships, and financial aid information.

In the College Center, you will find:

- College catalogs
- A-G requirements

GRADUATION CEREMONIES

Graduation is the final ceremony for seniors, but participation is not mandatory. It is a privilege and not a right to participate in the ceremony for the receiving of a diploma. High school graduation ceremonies shall be held to recognize those students who have successfully completed board approved graduation requirements.

An individual with exceptional needs who meets the criteria for a certificate described in Education Code Section 56390 shall be eligible to participate in a graduation ceremony in which a pupil of similar age without disabilities would be eligible to participate. The right to participate in graduation ceremonies does not equate to certificate described in Section 56390 with a regular high school diploma. The Governing Board believes that these students deserve the privilege of a public celebration that recognizes the significance of their achievement and encourages them to continue the pursuit of learning throughout their lives.

GRADUATION REQUIREMENTS

A-G Requirements must be met to graduate from LALA. LALA's requirements are more rigorous than what is required by some of the other high schools. A-G requirements must be met with C or better.

Senior Capstone Requirement

Seniors will be required to complete their Capstone Project, My LALA - My Life, as part of their graduation requirements.

Conduct at Graduation Ceremonies

Any student participating in a graduation ceremony shall comply with Charter School policies and regulations pertaining to student conduct.

The Superintendent or designee may require graduating students to wear ceremonial attire, such as cap and gown, at the ceremony. The Charter School will provide loaner caps and gowns for eligible students to participate in the graduation ceremony. Parents have the option of purchasing the cap and gown for a keepsake. However, any graduating student who has completed basic training and is an active member of any branch of the United States Armed Forces may, at his/her option, wear his/her military dress uniform at the ceremony.

Invocations, prayers, or benedictions shall not be included in graduation ceremonies. The Charter School shall not sponsor other ceremonies or programs for graduates that include prayer.

Disciplinary Considerations

In order to encourage high standards of student conduct and behavior, the School Principal may deny a student the privilege of participating in graduation ceremonies and/or activities if the student had violated school policies. Prior to denial of the privilege, the student, and where practicable his/her parent/guardian, shall be made aware of the grounds for such denial and shall be given an opportunity to respond. If a privilege is to be denied, the student and parent/guardian shall receive written notice of the denied privilege and the means whereby he/she may appeal the decision.

Honors and Awards

Valedictorian and Salutatorian

To honor superior academic achievement, graduation ceremonies may include recognition of valedictorian(s) and salutatorian(s). Valedictorian(s) and salutatorian(s) will be identified based on weighted GPA for UC/ California State University (“CSU”) approved courses determined by final grades including second semester of the year of graduation. Marks for all UC/CSU courses attempted, whether passed or failed, will be included in computing the grade point average.

All graduating students are included in class rank. However, students must meet the following eligibility requirements to be considered for the distinction of valedictorian or salutatorian: 1. The student must have completed eight (8) semesters of high school (i.e., 9th, 10th, 11th, and 12th grade). The student must have completed the last 4 semesters of high school (11th grade and 12th grade) in residence at LALA.

The highest ranking student who meets the eligibility requirements above is the valedictorian. Multiple valedictorians may exist. The second highest ranking student who meets the eligibility requirements above is the salutatorian. Multiple salutatorians may exist.

Students who have not completed 8 semesters of high school are excluded from valedictorian and salutatorian consideration. A student who completes graduation requirements at an accelerated pace (less than 8 semesters), and is ranked first or second in the class shall be recognized with the designation of accelerated valedictorian or accelerated salutatorian, respectively. Students included in the class rank during a graduation year who do not qualify for consideration as valedictorian or salutatorian because of eligibility requirements above may be otherwise recognized by the school.

If two or more students have the same grade point average, the numerical averages of the students shall be determined. The student with the highest numerical average shall receive the highest rank; the student with the next highest numerical average shall receive the next highest rank; etc. The GPA shall be reported to the nearest 100th. The thousandth digit must be a 5 or higher to round up to the next hundredth. For example, a GPA of 3.296 would round up to 3.30. A GPA of 3.2949 would round down to 3.29. Moreover, numerical averages with a decimal point of .5 or higher shall be rounded up to a whole number and a decimal point of .49 or lower shall not be rounded up. For example, a numerical average in a course of 92.50 shall be rounded up to a 93 and awarded an A for the GPA calculation. Further, a numerical average of 92.49 shall not be rounded up and awarded a 92 or B for the GPA

calculation. If two or more students have the same numerical average, those students should be given the same rank, one position below the next highest student. For example, if three students in a class of 75 are tied for fifth place, they should be given a rank of 5/75. The next student would be ranked 8/75.

Other Honors and Awards

The Principal shall identify other school-sponsored awards which may be given during graduation exercises. A separate awards program may be held to recognize graduating students receiving other school and non-school awards.

The Principal reserves the right to amend requirements under special circumstances.

Health and Safety

Procedures

Students in need of health services during class time must obtain a Health Referral from their teacher. A student must then report directly to the Office where a staff member will determine the student’s needs and take appropriate action.

Illness and Discomfort

Students who feel ill during the school day are dismissed from class to the office. Parents are notified and first aid is provided. If necessary, students can wait in the office until a parent arrives. Major injuries and pain will result in an immediate 911 and parent phone call.

Accidents or Injuries On-site

911 and parents are contacted immediately if a student is injured during the school day. Students are supervised at all times on campus during class time, passing period, and lunch breaks. Witnesses of the injury will be asked to fill out an Incident Report.

Diabetes

The Charter School will provide an information sheet regarding type 2 diabetes to the parent or guardian of incoming 7th grade students, pursuant to Education Code Section 49452.7. The information sheet shall include, but shall not be limited to, all of the following:

1. A description of type 2 diabetes.
2. A description of the risk factors and warning signs associated with type 2 diabetes.
3. A recommendation that students displaying or possibly suffering from risk factors or warning signs associated with type 2 diabetes should be screened for type 2 diabetes.
4. A description of treatments and prevention of methods of type 2 diabetes.

A description of the different types of diabetes screening tests available. Please contact the office if you need a copy of this information sheet or if you have any questions about this information sheet.

Health Screenings

Charter School shall comply with all federal and state legal requirements related to student immunization, health examination, and health screening, including but not limited to screening for vision, hearing, and scoliosis, to the same extent as would be required if the students were attending a non-charter public school. Charter School shall maintain student immunization, health examination, and health screening records on file.

Physical Examinations and Right to Refuse

All pupils are to have completed a health screening examination on or before the 90th day after the pupil's entrance into first grade or such pupils must have obtained a waiver pursuant to Health and Safety Code Sections 124040 and 124085. This examination can be obtained from your family physician or possibly through the services provided by your County Health Department. Information and forms are distributed to pupils enrolled in kindergarten. If your child's medical status changes, please provide the teacher with a physician's written verification of the medical issue, especially if it impacts in any way your child's ability to perform schoolwork.

A parent/guardian having control or charge of any child enrolled in the Charter School may file annually with the Principal of the school in which the child is enrolled a written and signed statement stating that he or she will not consent to a physical examination of the child. Thereupon the child shall be exempt from any physical examination, but whenever there is a good reason to believe that the child is suffering from a recognized contagious or infectious disease, the child shall be sent home and shall not be permitted to return until the school authorities are satisfied that any contagious or infectious disease does not exist.

Pregnant and Parenting Students

The Charter School recognizes that pregnant and parenting pupils are entitled to accommodations that provide them with the opportunity to succeed academically while protecting their health and the health of their children. A pregnant or parenting pupil is entitled to eight (8) weeks of parental leave, or more if deemed medically necessary by the pupil's physician, which the pupil may take before the birth of the pupil's infant if there is a medical necessity and after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction, in order to protect the health of the pupil who gives or expects to give birth and the infant, and to allow the pregnant or parenting pupil to care for and bond with the infant. The Charter School will ensure that absences from the pupil's regular school program are excused until the pupil is able to return to the regular school program or an alternative educational program.

Upon return to school after taking parental leave, a pregnant or parenting pupil will be able to make up work missed during his or her leave, including, but not limited to, makeup work plans and reenrollment in courses. Notwithstanding any other law, a pregnant or parenting pupil may remain enrolled for a fifth year of instruction in the Charter School if it is necessary in order for the pupil to be able to complete any graduation requirements, unless the Charter School determines that the pupil is reasonably able to complete the graduation requirements in time to graduate from high school by the end of the pupil's fourth year of high school.

Complaints of noncompliance with laws relating to pregnant or parenting pupils may be filed under the Uniform Complaint Procedures ("UCP") of the Charter School. The complaint may be filed in writing with the compliance officer:

Arina Goldring, Chief Executive Officer/Superintendent
2670 Griffin Ave.

A copy of the UCP is available upon request at the main office and on the school website. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the complaint procedures, please contact the CEO.

Mental Health Services

The Charter School recognizes that when unidentified and unaddressed, mental health challenges can lead to poor academic performance, increased likelihood of suspension and expulsion, chronic absenteeism, student attrition, homelessness, incarceration, and/or violence. Access to mental health services at the Charter School and in our community is not only critical to improving the physical and emotional safety of students, but it also helps address barriers to learning and provides support so that all students can learn problem-solving skills and achieve in school and, ultimately, in life. Human Trafficking Prevention

California has the highest number of incidents of human trafficking in the U.S., and all students may be vulnerable. Charter School believes it is a priority to inform our students about (1) prevalence, nature of and strategies to reduce the risk of human trafficking, techniques to set healthy boundaries, and how to safely seek assistance, and (2) how social medial and mobile device applications are used for human trafficking.

In accordance with the California Healthy Youth Act, Charter School will provide age-appropriate instruction on the prevention of human trafficking, including sexual abuse, assault, and harassment. You have the right to excuse your child from all or part of instruction on prevention of human trafficking. Your consent for this instruction is NOT required. If we do not receive a written request to excuse your child, your child will be included in the instruction.

Information and materials for parents/guardians about the curriculum and resources on prevention of human trafficking and abuse, including sexual abuse, assault, and harassment are available on Charter School's website for your review.

School Bus and Passenger Safety

All pupils who are transported in a school bus or school pupil activity bus shall receive instruction in school bus emergency procedures and passenger safety. A copy of the complete Transportation Policy is available ~~within this Handbook~~ upon request at the main office, and on the school website.

Concussion/Head Injuries

A concussion is a brain injury that can be caused by a bump, blow, or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. Even though most concussions are mild, all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly. Because the Charter School has elected to offer an athletic program, we must immediately remove from a school-sponsored athletic activity for the remainder of the day an athlete who is suspected of sustaining a concussion or head injury during that activity. The athlete may not return to that activity until he or she is evaluated by, and receives written clearance from, a licensed health care provider. If the licensed health care provider determines the athlete has a concussion or head injury, the athlete shall also complete a graduated return-to-play protocol of no less than 7 days in duration under the

supervision of a licensed health care provider. On a yearly basis, a concussion and head injury information sheet must be signed and returned by the athlete and the athlete's parent or guardian before the athlete initiates practice or competition. This requirement does not apply to an athlete engaging in an athletic activity during the regular school day or as part of a physical education course.

Sudden Cardiac Arrest Prevention and Automated External Defibrillators

The Charter School is invested in the health of its athletes, especially their heart health. Sudden cardiac arrest ("SCA") is when the heart stops beating, suddenly and unexpectedly. Those wishing to participate in athletics at Charter School, must review the information sheet on sudden cardiac arrest via the link below: <https://www.cdc.gov/dhdsr/docs/cardiac-arrest-infographic.pdf>.

Opioid Information Sheet

The Charter School annually provides each athlete with an Opioid Factsheet for Patients published by the Centers for Disease Control and Prevention. The athlete and, if the athlete is 17 years of age or younger, the athlete's parent or guardian shall sign a document acknowledging receipt of the Opioid Factsheet for Patients and return that document to the Charter School before the athlete initiates practice or competition. The fact sheet is available at:
<https://www.cdc.gov/drugoverdose/pdf/AHA-Patient-Opioid-Factsheet-a.pdf>

Immunizations

Pursuant to the California Health and Safety Code and the California Code of Regulations, children must provide proof of having received required immunizations (shots) before they can attend school unless they meet the requirements for an exemption. Immunization records are required for all incoming students. Verification of immunizations will be completed with written medical records from the child's doctor or immunization clinic. To ensure a safe learning environment for all students, the Charter School follows and abides by the health standards set forth by the state of California. The immunization status of all students will be reviewed periodically. Those students who are not in compliance with the State requirements must be excluded from attendance until the requirements are met. Students who have been exposed to a communicable disease for which they have not been immunized may be excluded from school at the discretion of the Charter School.

These required immunizations include:

Administration of Medication

Any student who is required to take, during the regular school day, medication (prescribed or over-the-counter) may be assisted by the credentialed school nurse or other designated school personnel if LALA annually receives:

- A written statement from an authorized health care provider licensed by the State of California to prescribe medications detailing the name, method, amount, and time schedules by which such medication is to be taken; and
- A written statement from the parent/guardian of the student indicating the desire that the school district assist the student in the matters set forth in the health care provider’s statement;

Written authorizations must be renewed annually or whenever there is a new written authorization from the licensed health care provider. The authorization is valid one calendar year from the date of the licensed health care provider's signature.

Students may not carry or use medication on campus without written consent unless such consent will violate protected health information. However, students may carry and self-administer certain medication (e.g., inhaled asthma medication or auto-injectable epinephrine medication) if the school district receives the appropriate documentation.

Board Policy

Revision Date: 6/26/20: **[INSERT]**

Discrimination, sexual harassment, harassment, intimidation, and bullying are all disruptive behaviors, which interfere with students' ability to learn and negatively affect student engagement, diminish school safety, and contribute to a hostile school environment. As such, the Los Angeles Leadership Academy ("LALA" or the "Charter School") prohibits any acts of discrimination, sexual harassment, harassment, intimidation, and bullying altogether. This policy is inclusive of instances that occur on any area of the school campus, at school-sponsored events and activities, regardless of location, through school-owned technology, and through other electronic means.

As used in this policy, discrimination, sexual harassment, harassment, intimidation, and bullying are described as the intentional conduct, including verbal, physical, written communication or cyber-bullying, including cyber sexual bullying, based on the actual or perceived characteristics of mental or physical disability, sex (including pregnancy and related conditions, and parental status), sexual orientation, gender, gender identity, gender expression, immigration status, nationality (including national origin, country of origin and citizenship), race or ethnicity (including ancestry, color, ethnic group identification, ethnic background, and traits historically associated with race, including, but not limited to, hair texture and protective hairstyles such as braids, locks and twist), religion (including agnosticism and atheism), religious affiliation, medical condition, genetic information, marital status, age, or association with a person or group with one or more of these actual or perceived characteristics or based on any other characteristic protected under applicable state or federal law or local ordinance. Hereafter, such actions are referred to as "misconduct prohibited by this Policy."

To the extent possible, LALA will make reasonable efforts to prevent students from being discriminated against, harassed, intimidated, and/or bullied, and will take action to investigate, respond, address and report on such behaviors in a timely manner. LALA school staff that witness acts of misconduct prohibited by this Policy will take immediate steps to intervene when safe to do so.

Moreover, LALA will not condone or tolerate misconduct prohibited by this Policy by any employee, independent contractor or other person with whom LALA does business, or any other individual, student, or volunteer. This policy applies to all employee, student, or volunteer actions and relationships, regardless of position or gender. LALA promptly and thoroughly investigate and respond to any complaint of such misconduct prohibited by this Policy in a manner that is not deliberately indifferent and will take appropriate corrective action, if warranted. LALA complies with all applicable state and federal laws and regulations and local ordinances in its investigation of and response to reports of misconduct prohibited by this Policy.

Bullying and Cyberbullying Prevention Procedures

LALA has adopted the following procedures for preventing acts of bullying, including cyberbullying.

1. Cyberbullying Prevention Procedures

LALA advises students:

- a. To never share passwords, personal data, or private photos online.
- b. To think about what they are doing carefully before posting and by emphasizing that comments cannot be retracted once they are posted.
- c. That personal information revealed on social media can be shared with anyone including parents, teachers, administrators, and potential employers. Students should never reveal information that would make them uncomfortable if the world had access to it.
- d. To consider how it would feel receiving such comments before making comments about others online.

LALA informs Charter School employees, students, and parents/guardians of LALA's policies regarding the use of technology in and out of the classroom. LALA encourages parents/guardians to discuss these policies with their children to ensure their children understand and comply with such policies.

2. Education

LALA employees cannot always be present when bullying incidents occur, so educating students about bullying is a key prevention technique to limit bullying from happening. LALA advises students that hateful and/or demeaning behavior is inappropriate and unacceptable in our society and at LALA and encourages students to practice compassion and respect each other.

LALA educates students to accept all student peers regardless of protected characteristics (including but not limited to actual or perceived sexual orientation, gender identification, physical or cognitive disabilities, race, ethnicity, religion, and immigration status) and about the negative impact of bullying other pupils based on protected characteristics.

LALA's bullying prevention education also discusses the differences between appropriate and inappropriate behaviors and includes sample situations to help students learn and practice appropriate behavior and to develop techniques and strategies to respond in a non-aggressive way to bullying-type behaviors. Students will also develop confidence and learn how to advocate for themselves and others, and when to go to an adult for help.

LALA informs LALA employees, students, and parents/guardians of this Policy and encourages parents/guardians to discuss this Policy with their children to ensure their children understand and comply with this Policy.

3. Professional Development

LALA annually makes available the online training module developed by the California Department of Education pursuant Education Code section 32283.5(a) to its certificated employees and all other LALA employees who have regular interaction with pupils.

LALA informs certificated employees about the common signs that a student is a target of bullying including:

- Physical cuts or injuries
- Lost or broken personal items
- Fear of going to school/practice/games
- Loss of interest in school, activities, or friends
- Trouble sleeping or eating
- Anxious/sick/nervous behavior or distracted appearance
- Self-destructiveness or displays of odd behavior
- Decreased self-esteem

LALA also informs certificated employees about the groups of students determined by LALA, and available research, to be at elevated risk for bullying. These groups include but are not limited to:

- Students who are lesbian, gay, bisexual, transgender, or questioning youth (“LGBTQ”) and those youth perceived as LGBTQ; and
- Students with physical or learning disabilities.

LALA encourages its employees to demonstrate effective problem-solving, anger management, and self-confidence skills for LALA’s students.

Grievance Procedures

1. Scope of Grievance Procedures

LALA will comply with its Uniform Complaint Procedures (“UCP”) policy when investigating and responding to complaints alleging unlawful harassment, discrimination, intimidation or bullying against a protected group or on the basis of a person’s association with a person or group with one or more of the protected characteristics set forth in the UCP that:

- a. Are written and signed;
- b. Filed by an individual who alleges that that individual has personally suffered unlawful discrimination, harassment, intimidation or bullying, or by one who believes any specific class of individuals has been subjected to discrimination, harassment, intimidation or bullying prohibited by this part, or by a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying; and
- c. Submitted to the LALA UCP Compliance Officer not later than six (6) months from the date the alleged unlawful discrimination, harassment, intimidation or bullying occurred, or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation or bullying.

The following grievance procedures shall be utilized for reports of misconduct prohibited by this Policy that do not comply with the writing, timeline, or other formal filing requirements of a uniform complaint. For formal complaints of sexual harassment, LALA will utilize the following grievance procedures in addition to its UCP when applicable.

2. Reporting

All staff are expected to provide appropriate supervision to enforce standards of conduct and, if they observe or become aware of misconduct prohibited by this Policy, to intervene as soon as it is safe to do so, call for assistance, and report such incidents. The Board requires staff to follow the procedures in this policy for reporting alleged acts of misconduct prohibited by this Policy.

Any student who believes they have been subject to misconduct prohibited by this Policy or has witnessed such prohibited misconduct is encouraged to immediately report such misconduct to the Coordinator:

Arina Goldring, Chief Executive Officer/Superintendent
2670 Griffin Ave.
Los Angeles, California, 90031
213-381-8484

Complaints regarding such misconduct may also be made to the U.S. Department of Education, Office for Civil Rights. Civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders may also be available to complainants.

While submission of a written report is not required, the reporting party is encouraged to submit a written report to the Coordinator. LALA will investigate and respond to all oral and written reports of misconduct prohibited by this Policy in a manner that is not deliberately indifferent. Reports may be made anonymously, but formal disciplinary action cannot be based solely on an anonymous report.

Students are expected to report all incidents of misconduct prohibited by this Policy or other verbal, or physical abuses. Any student who feels she/he is a target of such behavior should immediately contact a teacher, counselor, the Principal, Coordinator, a staff person or a family member so that she/he can get assistance in resolving the issue in a manner that is consistent with this Policy.

LALA acknowledges and respects every individual's right to privacy. All reports shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process to the greatest extent possible. This includes keeping the identity of the reporter confidential, as appropriate, except to the extent necessary to comply with the law, carry out the investigation and/or to resolve the issue, as determined by the Coordinator or administrative designee on a case-by-case basis.

LALA prohibits any form of retaliation against any individual who files a report or complaint, testifies, assists, participates, or refuses to participate in any investigation or proceeding related to misconduct prohibited by this Policy. Such participation or lack of participation shall not in any way affect the status, grades, or work assignments of the individual. Individuals alleging retaliation in violation of this Policy may file a grievance using the procedures set forth in this Policy. Knowingly making false statements or knowingly submitting false information during the grievance process is prohibited and may result in disciplinary action.

All supervisors of staff will receive sexual harassment training within six (6) months of their assumption of a supervisory position and will receive further training once every two (2) years thereafter. All staff, and any individual designated as a coordinator, investigator or decision-maker will receive sexual harassment training and/or instruction concerning sexual harassment as required by law.

3. Supportive Measures

Upon the receipt of an informal or formal complaint of sexual harassment, the Coordinator will promptly contact the complainant to discuss the availability of supportive measures. The Coordinator will consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint of sexual harassment, and explain the process for filing a formal complaint of sexual harassment.

Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint of sexual harassment or where no formal complaint of sexual harassment has been filed. Such measures are designed to restore or preserve equal access to LALA's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or LALA's educational environment, or deter sexual harassment. Supportive measures available to complainants and respondents may include but are not limited to counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. LALA will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of LALA to provide the supportive measures.

4. Investigation and Response

Upon receipt of a report of misconduct prohibited by this Policy from a student, staff member, parent, volunteer, visitor or affiliate of LALA, the Coordinator or administrative designee will promptly initiate an investigation. In most cases, a thorough investigation will take no more than twenty-five (25) school days. If the Coordinator, or administrative designee determines that an investigation will take longer than twenty-five (25) school days, and needs to be delayed or extended due to good cause, the Coordinator (or administrative designee) will inform the complainant of the reasons for the delay or extension and provide an approximate date when the investigation will be complete.

At the conclusion of the investigation, the Coordinator or administrative designee will meet with the complainant and, to the extent possible with respect to confidentiality laws, provide the complainant with information about the investigation, including any actions necessary to resolve the incident/situation. However the Coordinator or administrative designee will not reveal confidential information related to other students or employees.

For investigations of and responses to formal complaints of sexual harassment, the following grievance procedures will apply:

- Notice of the Allegations
 - Upon receipt of a formal complaint of sexual harassment, the Coordinator will give all known parties written notice of its grievance process, including any voluntary informal resolution process. The notice will include:
 - A description of the allegations of sexual harassment at issue and to the extent known, the identities of the parties involved in the incident, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident;
 - A statement that the respondent is presumed not responsible for the alleged conduct until a final decision is reached;
 - A statement that the parties may have an advisor of their choice, who may be an attorney, and may inspect and review evidence;
 - A statement that LALA prohibits an individual from knowingly making false statements or knowingly submitting false information during the grievance process.
- Emergency Removal
 - LALA may place a non-student employee respondent on administrative leave during the pendency of a formal complaint of sexual harassment grievance process in accordance with LALA's policies.
 - LALA may remove a respondent from LALA's education program or activity on an emergency basis, in accordance with LALA's policies, provided that LALA undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.
 - This provision may not be construed to modify any rights under the IDEA, Section 504, or the ADA.
- Informal Resolution
 - If a formal complaint of sexual harassment is filed, LALA may offer a voluntary informal resolution process, such as mediation, to the parties at any time prior to reaching a determination regarding responsibility. If LALA offers such a process, it will do the following:
 - Provide the parties with advance written notice of:
 - The allegations;
 - The requirements of the voluntary informal resolution process including the circumstances under which the parties are precluded from resuming a formal complaint of sexual harassment arising from the same allegations;
 - The parties' right to withdraw from the voluntary informal resolution process and resume the grievance process at any time prior to agreeing to a resolution; and
 - Any consequences resulting from participating in the voluntary informal resolution process, including the records that will be maintained or could be shared; and

- Obtain the parties' advance voluntary, written consent to the informal resolution process.
 - LALA will not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.
- Investigation Process
 - The decision-maker will not be the same person(s) as the Coordinator or the investigator. LALA shall ensure that all decision-makers and investigators do not have a conflict of interest or bias for or against complainants or respondents.
 - In most cases, a thorough investigation will take no more than twenty-five (25) school days. If the investigator determines that an investigation will take longer than twenty-five (25) school days and needs to be delayed or extended due to good cause, the investigator will inform the complainant and any respondents in writing of the reasons for the delay or extension and provide an approximate date when the investigation will be complete.
 - The parties will be provided with an equal opportunity to present witnesses, to inspect and review any evidence obtained that is directly related to the allegations raised, and to have an advisor present during any investigative meeting or interview.
 - The parties will not be prohibited from discussing the allegations under investigation or to gather and present relevant evidence.
 - A party whose participation is invited or expected at an investigative meeting or interview will receive written notice of the date, time, location, participants, and purpose of the meeting or interview with sufficient time for the party to prepare to participate.
 - Prior to completion of the investigative report, LALA will send to each party and the party's advisor, if any, a copy of the evidence subject to inspection and review, and the parties will have at least ten (10) days to submit a written response for the investigator's consideration prior to the completion of the investigation report.
 - The investigator will complete an investigation report that fairly summarizes relevant evidence and send a copy of the report to each party and the party's advisor, if any, at least ten (10) days prior to the determination of responsibility.
- Dismissal of a Formal Complaint of Sexual Harassment
 - If the investigation reveals that the alleged harassment did not occur in LALA's educational program in the United States or would not constitute sexual harassment even if proved, the formal complaint with regard to that conduct must be dismissed. However, such a dismissal does not preclude action under another applicable LALA policy.
 - LALA may dismiss a formal complaint of sexual harassment if:
 - The complainant provides a written withdrawal of the complaint to the Coordinator;
 - The respondent is no longer employed or enrolled at LALA; or
 - The specific circumstances prevent LALA from gathering evidence sufficient to reach a decision on the formal complaint or the allegations therein.
 - If a formal complaint of sexual harassment or any of the claims therein are dismissed, LALA will promptly send written notice of the dismissal and the reason(s) for the dismissal simultaneously to the parties.

- Determination of Responsibility
 - The standard of evidence used to determine responsibility is the preponderance of the evidence standard.
 - Determinations will be based on an objective evaluation of all relevant evidence and credibility determinations will not be based on a person's status as a complainant, respondent, or witness.
 - LALA will send a written decision on the formal complaint to the complainant and respondent simultaneously that describes:
 - The allegations in the formal complaint of sexual harassment;
 - All procedural steps taken including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather other evidence;
 - The findings of facts supporting the determination;
 - The conclusions about the application of LALA's code of conduct to the facts;
 - The decision and rationale for each allegation;
 - Any disciplinary sanctions the recipient imposes on the respondent, and whether remedies designed to restore or preserve equal access to the education program or activity will be provided to the complainant; and
 - The procedures and permissible bases for appeals.

5. Consequences

Students or employees who engage in misconduct prohibited by this Policy, knowingly make false statements or knowingly submit false information during the grievance process may be subject to disciplinary action up to and including expulsion from LALA or termination of employment. The Coordinator is responsible for effective implementation of any remedies ordered by LALA in response to a formal complaint of sexual harassment.

6. Right of Appeal

Should the reporting individual find LALA's resolution unsatisfactory, the reporting individual may, within five (5) business days of notice of LALA's decision or resolution, submit a written appeal to the President of the LALA Board, who will review the investigation and render a final decision.

The following appeal rights and procedures will also apply to formal complaints of sexual harassment:

- The complainant and the respondent shall have the same appeal rights and LALA will implement appeal procedures equally for both parties.
- LALA will notify the other party in writing when an appeal is filed.
- The decision-maker for the appeal will give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome; issue a written decision describing the result of the appeal and the rationale for the result; and provide the written decision simultaneously to both parties.

7. Recordkeeping

All records related to any investigation of complaints under this Policy are maintained in a secure location.

LALA will maintain the following records for at least seven (7) years:

- Records of each sexual harassment investigation, including any determination of responsibility; any audio or audiovisual recording or transcript; any disciplinary sanctions imposed on the respondent; and any remedies provided to the complainant.
- Records of any appeal of a formal sexual harassment complaint and the results of that appeal.
- Records of any informal resolution of a sexual harassment complaint and the results of that informal resolution.
- All materials used to train Title IX coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process.
- Records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment.

Suicide Prevention Policy

Board Policy

Revision Date: 6/26/2020; **[INSERT]**

The Board of Directors of LA Leadership Academy (“LALA” or the “Charter School”) recognizes that suicide is a major cause of death among youth and should be taken seriously. To attempt to reduce suicidal behavior and its impact on students and families, the Board of Directors has developed prevention strategies and intervention procedures.

In compliance with Education Code section 215, this policy has been developed in consultation with LALA and community stakeholders, LALA school-employed mental health professionals (e.g., school counselors, psychologists, social workers, nurses), administrators, other school staff members, parents/guardians/caregivers, students, local health agencies and professionals, the county mental health plan, law enforcement, and community organizations in planning, implementing, and evaluating LALA’s strategies for suicide prevention and intervention. LALA must work in conjunction with local government agencies, community-based organizations, and other community supports to identify additional resources.

To ensure the policies regarding suicide prevention are properly adopted, implemented, and updated, LALA shall appoint an individual (or team) to serve as the suicide prevention point of contact for LALA. The suicide prevention point of contact for LALA and the **Chief Executive Officer/Superintendent** shall ensure proper coordination and consultation with the county mental health plan if a referral is made for mental health or related services on behalf of a student who is a Medi-Cal beneficiary. This policy shall be reviewed and revised as indicated, at least annually in conjunction with the previously mentioned community stakeholders.

Staff Development

LALA, along with its partners, has carefully reviewed available staff training to ensure it promotes the mental health model of suicide prevention and does not encourage the use of the stress model to explain suicide.

Training shall be provided for all school staff members. It may also be provided, when appropriate, for other adults on campus (such as substitutes and intermittent staff, volunteers, interns, tutors, coaches, and afterschool staff). Training shall include the following:

1. All suicide prevention trainings shall be offered under the direction of mental health professionals (e.g., school counselors, school psychologists, other public entity professionals, such as psychologists or social workers) who have received advanced training specific to suicide. Staff training may be adjusted year-to-year based on previous professional development activities and emerging best practices.
2. At least annually, all staff shall receive training on the risk factors and warning signs of suicide, suicide prevention, intervention, referral, and postvention.
3. At a minimum, all staff shall participate in training on the core components of suicide prevention (identification of suicide risk factors and warning signs, prevention, intervention, referral, and postvention) at the beginning of their employment or annually. Core components of the general suicide prevention training shall include:
 - a. Suicide risk factors, warning signs, and protective factors.
 - b. How to talk with a student about thoughts of suicide.
 - c. How to respond appropriately to the youth who has suicidal thoughts. Such responses shall include constant supervision of any student judged to be at risk for suicide and an immediate referral for a suicide risk assessment.
 - d. Emphasis on immediately referring (same day) any student who is identified to be at risk of suicide for assessment while staying under constant monitoring by staff member.
 - e. Emphasis on reducing stigma associated with mental illness and that early prevention and intervention can drastically reduce the risk of suicide.
 - f. Reviewing the data annually to look for any patterns or trends of the prevalence or occurrence of suicide ideation, attempts, or death. Data from the California School Climate, Health, and Learning Survey (Cal-SCHLS) should also be analyzed to

identify school climate deficits and drive program development. See the Cal-SCHLS Web site at <http://cal-schls.wested.org/>.

- g. Information regarding groups of students judged by the school, and available research, to be at elevated risk for suicide. These groups include, but are not limited to, the following:
 - i. Youth affected by suicide.
 - ii. Youth with a history of suicide ideation or attempts.
 - iii. Youth with disabilities, mental illness, or substance abuse disorders.
 - iv. Lesbian, gay, bisexual, transgender, or questioning youth.
 - v. Youth experiencing homelessness or in out-of-home settings, such as foster care.
 - vi. Youth who have suffered traumatic experiences.

 - b. Common misconceptions about suicide.
 - c. Charter School and community suicide prevention resources.
 - d. Appropriate messaging about suicide (correct terminology, safe messaging guidelines).
 - e. The factors associated with suicide (risk factors, warning signs, protective factors).
 - f. How to identify youth who may be at risk of suicide.
 - g. Appropriate ways to interact with a youth who is demonstrating emotional distress or is suicidal. Specifically, how to talk with a student about their thoughts of suicide and (based on LALA guidelines) how to respond to such thinking; how to talk with a student about thoughts of suicide and appropriately respond and provide support based on LALA guidelines.
 - h. Charter School-approved procedures for responding to suicide risk (including multi-tiered systems of support and referrals). Such procedures should emphasize that the suicidal student should be constantly supervised until a suicide risk assessment is completed.
 - i. Charter School-approved procedures for responding to the aftermath of suicidal behavior (suicidal behavior postvention).
 - j. Responding after a suicide occurs (suicide postvention).
 - k. Resources regarding youth suicide prevention.
 - l. Emphasis on stigma reduction and the fact that early prevention and intervention can drastically reduce the risk of suicide.
 - m. Emphasis that any student who is identified to be at risk of suicide is to be immediately referred (same day) for assessment while being constantly monitored by a staff member.

Employee Qualifications and Scope of Services

Employees of LALA must act only within the authorization and scope of their credential or license. While it is expected that school professionals are able to identify suicide risk factors and warning signs, and to prevent the immediate risk of a suicidal behavior, treatment of suicidal ideation is typically beyond the scope of services offered in the school setting. In addition, treatment of the mental health challenges often associated with suicidal thinking typically requires mental health resources beyond what schools are able to provide.

Parents, Guardians, and Caregivers Participation and Education

1. Parents/guardians/caregivers may be included in suicide prevention efforts. At a minimum, the Charter School shall share this Policy with parents/guardians/caregivers by notifying them where a complete copy of the policy is available.
2. This Suicide Prevention Policy shall be easily accessible and prominently displayed on the LALA Web page and included in the parent handbook.
3. Parents/guardians/caregivers should be invited to provide input on the development and implementation of this policy.
4. All parents/guardians/caregivers may have access to suicide prevention training that addresses the following:
 - a. Suicide risk factors, warning signs, and protective factors.
 - b. How to talk with a student about thoughts of suicide.
 - c. How to respond appropriately to the student who has suicidal thoughts. Such responses shall include constant supervision of any student judged to be at risk for suicide and referral for an immediate suicide risk assessment.

Student Participation and Education

Messaging about suicide has an effect on suicidal thinking and behaviors. Consequently, LALA along with its partners has carefully reviewed and will continue to review all materials and resources used in awareness efforts to ensure they align with best practices for safe messaging about suicide. Suicide prevention strategies may include, but not be limited to, efforts to promote a positive school climate that enhances students' feelings of connectedness with LALA and is characterized by caring staff and harmonious interrelationships among students.

LALA's instructional and student support program shall promote the healthy mental, emotional, and social development of students including, but not limited to, the development of problem-solving skills, coping skills, and resilience. The instruction shall not use the stress model to explain suicide.

LALA's instructional curriculum may include information about suicide prevention, as appropriate or needed. If suicide prevention is included in the Charter School's instructional curriculum, it shall consider the grade level and age of the students and be delivered and discussed in a manner that is sensitive to the needs of young students. Under the supervision of an appropriately trained individual acting within the scope of her/his credential or license, students shall:

1. Receive developmentally appropriate, student-centered education about the warning signs of mental health challenges and emotional distress. The content of the education may include:
 - a. Coping strategies for dealing with stress and trauma.
 - b. How to recognize behaviors (warning signs) and life issues (risk factors) associated with suicide and mental health issues in oneself and others.
 - c. Help-seeking strategies for oneself and others, including how to engage school-based and community resources and refer peers for help.
 - d. Emphasis on reducing the stigma associated with mental illness and the fact that early prevention and intervention can drastically reduce the risk of suicide.
2. Receive developmentally appropriate guidance regarding LALA's suicide prevention, intervention, and referral procedures.

Student-focused suicide prevention education can be incorporated into classroom curricula (e.g., health classes, orientation classes, science, and physical education).

LALA will support the creation and implementation of programs and/or activities on campus that raise awareness about mental wellness and suicide prevention (e.g., Mental Health Awareness Week, Peer Counseling, Freshman Success, and National Alliance on Mental Illness on Campus High School Clubs).

Intervention and Emergency Procedures

LALA designates the following administrators to act as the primary and secondary suicide prevention liaisons:

1. School Psychologist
2. **Chief Executive Officer/Superintendent**

Whenever a staff member suspects or has knowledge of a student's suicidal intentions, they shall promptly notify the primary designated suicide prevention liaison. If this primary suicide prevention liaison is unavailable, the staff shall promptly notify the secondary suicide prevention liaison.

The suicide prevention liaison shall immediately notify the **Chief Executive Officer/Superintendent** or designee, who shall then notify the student's parent/guardian as soon as possible if appropriate and in the best interest of the student. Determination of notification to parents/guardians/caregivers should follow a formal initial assessment to ensure that the student is not endangered by parental notification.

The suicide prevention liaison shall also refer the student to mental health resources at LALA or in the community.

When a student is in imminent danger (has access to a gun, is on a rooftop, or in other unsafe conditions), a call shall be made to 911.

When a suicide attempt or threat is reported on campus or at a school-related activity, the suicide prevention liaison shall, at a minimum:

1. Ensure the student's physical safety by one or more of the following, as appropriate:
 - a. Securing immediate medical treatment if a suicide attempt has occurred.
 - b. Securing law enforcement and/or other emergency assistance if a suicidal act is being actively threatened.
 - c. Keeping the student under continuous adult supervision until the parent/guardian and/or appropriate support agent or agency can be contacted and has the opportunity to intervene.
 - d. Remaining calm, keeping in mind the student is overwhelmed, confused, and emotionally distressed.
 - e. Moving all other students out of the immediate area.
 - f. Not sending the student away or leaving him/her alone, even to go to the restroom.
 - g. Providing comfort to the student, listening and allowing the student to talk and being comfortable with moments of silence.
 - h. Promising privacy and help, but not promising confidentiality.
2. Document the incident in writing as soon as feasible.
3. Follow up with the parent/guardian and student in a timely manner to provide referrals to appropriate services as needed and coordinate and consult with the county mental health plan if a referral is made for mental health or related services on behalf of a student who is a Medi-Cal beneficiary.
4. After a referral is made, LALA shall verify with the parent/guardian that the follow up treatment has been accessed. Parents/guardians will be required to provide documentation of care for the student. If parents/guardians refuse or neglect to access treatment for a student who has been identified to be at risk for suicide or in emotional distress, the suicide prevention liaisons shall meet with the parent to identify barriers to treatment (e.g., cultural stigma, financial issues) and work to rectify the situation and build understanding of care. If follow up care is still not provided, LALA may contact Child Protective Services.
5. Provide access to counselors or other appropriate personnel to listen to and support students and staff who are directly or indirectly involved with the incident at LALA.
6. Provide an opportunity for all who respond to the incident to debrief, evaluate the effectiveness of the strategies used, and make recommendations for future actions.

In the event a suicide occurs or is attempted on the LALA campus, the suicide prevention liaison shall follow the crisis intervention procedures contained in LALA's safety plan. After consultation with the **Chief Executive Officer/Superintendent** or designee and the student's parent/guardian about facts that may be divulged in accordance with the laws governing confidentiality of student

record information, the **Chief Executive Officer/Superintendent** or designee may provide students, parents/guardians, and staff with information, counseling, and/or referrals to community agencies as needed. LALA staff may receive assistance from LALA counselors or other mental health professionals in determining how best to discuss the suicide or attempted suicide with students.

In the event a suicide occurs or is attempted off the LALA campus and unrelated to school activities, the **Chief Executive Officer/Superintendent** or designee shall take the following steps to support the student:

1. Contact the parent/guardian and offer support to the family.
2. Discuss with the family how they would like LALA to respond to the attempt while minimizing widespread rumors among teachers, staff, and students.
3. Obtain permission from the parent/guardian to share information to ensure the facts regarding the crisis are correct.
4. The suicide prevention liaisons shall handle any media requests.
5. Provide care and determine appropriate support to affected students.
6. Offer to the student and parent/guardian steps for re-integration to school. Re-integration may include obtaining a written release from the parent/guardian to speak with any health care providers; conferring with the student and parent/guardian about any specific requests on how to handle the situation; informing the student's teachers about possible days of absences; allowing accommodations for make-up work (being understanding that missed assignments may add stress to the student); appropriate staff maintaining ongoing contact with the student to monitor the student's actions and mood; and working with the parent/guardian to involve the student in an aftercare plan.

Supporting Students during or after a Mental Health Crisis

Students shall be encouraged through the education program and in LALA activities to notify a teacher, the **Chief Executive Officer/Superintendent**, another LALA administrator, psychologist, LALA counselor, suicide prevention liaisons, or other adult when they are experiencing thoughts of suicide or when they suspect or have knowledge of another student's suicidal intentions. LALA staff should treat each report seriously, calmly, and with active listening and support. Staff should be non-judgmental to students and discuss with the student, and parent/guardian, about additional resources to support the student.

Responding After a Suicide Death (Postvention)

A death by suicide in the school community (whether by a student or staff member) can have devastating consequences on the school community, including students and staff. LALA shall follow the below action plan for responding to a suicide death, which incorporates both immediate and long-term steps and objectives:

The suicide prevention liaison shall:

1. Coordinate with the **Chief Executive Officer/Superintendent** to:
 - a. Confirm death and cause.
 - b. Identify a staff member to contact deceased's family (within 24 hours).
 - c. Enact the Suicide Postvention Response.
 - d. Notify all staff members (ideally in-person or via phone, not via e-mail or mass notification).
2. Coordinate an all-staff meeting, to include:
 - a. Notification (if not already conducted) to staff about suicide death.
 - b. Emotional support and resources available to staff.
 - c. Notification to students about suicide death and the availability of support services (if this is the protocol that is decided by administration).
 - d. Share information that is relevant and that which you have permission to disclose.
3. Prepare staff to respond to needs of students regarding the following:
 - a. Review of protocols for referring students for support/assessment.
 - b. Talking points for staff to notify students.
 - c. Resources available to students (on and off campus).
4. Identify students significantly affected by suicide death and other students at risk of imitative behavior.
5. Identify students affected by suicide death but not at risk of imitative behavior.
6. Communicate with the larger school community about the suicide death.
7. Consider funeral arrangements for family and school community.
8. Respond to memorial requests in respectful and non-harmful manner; responses should be handled in a thoughtful way and their impact on other students should be considered.
9. Identify media spokesperson if needed.
10. Include long-term suicide postvention responses:
 - a. Consider important dates (i.e., anniversary of death, deceased birthday, graduation, or other significant event) and how these will be addressed.
 - b. Support siblings, close friends, teachers, and/or students of deceased.
 - c. Consider long-term memorials and how they may impact students who are emotionally vulnerable and at risk of suicide.

Student Identification Cards

Charter School will include the telephone number for the National Suicide Prevention Lifeline (1-800-273-8255) and the National Domestic Violence Hotline (1-800-799-7233) on all student identification cards. LALA will also include the number for the Crisis Text Line, which can be accessed by texting HOME to 741741 and a local suicide prevention hotline on all student identification cards.

Professional Boundaries: Staff/Student Interaction Policy

Board Policy

Revision Date: 6/26/2020; **[INSERT]**

~~EPS~~ The Los Angeles Leadership Academy (“LALA” or the “Charter School”) recognizes its responsibility to make and enforce all rules and regulations governing student and employee behavior to bring about the safest and most learning-conducive environment possible.

Corporal Punishment

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a student.

For purposes of this policy, corporal punishment does not include an employee’s use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to property.

For clarification purposes, the following examples are offered for direction and guidance of School personnel:

A. Examples of PERMITTED actions (NOT corporal punishment)

1. Stopping a student from fighting with another student;
2. Preventing a pupil from committing an act of vandalism;
3. Defending yourself from physical injury or assault by a student;
4. Forcing a pupil to give up a weapon or dangerous object;
5. Requiring an athletic team to participate in strenuous physical training activities designed to strengthen or condition team members or improve their coordination, agility, or physical skills;

6. Engaging in group calisthenics, team drills, or other physical education or voluntary recreational activities.

B. Examples of PROHIBITED actions (corporal punishment)

1. Hitting, shoving, pushing, or physically restraining a student as a means of control;
2. Making unruly students do push-ups, run laps, or perform other physical acts that cause pain or discomfort as a form of punishment;
3. Paddling, swatting slapping, grabbing, pinching, kicking, or otherwise causing physical pain.

Acceptable and Unacceptable Staff/Student Behavior

This policy is intended to guide all School faculty and staff in conducting themselves in a way that reflects the high standards of behavior and professionalism required of school employees and to specify the boundaries between students and staff.

Although this policy gives specific, clear direction, it is each staff member's obligation to avoid situations that could prompt suspicion by parents, students, colleagues, or school leaders. One viable standard that can be quickly applied, when you are unsure if certain conduct is acceptable, is to ask yourself, "Would I be engaged in this conduct if my family or colleagues were standing next to me?"

For the purposes of this policy, the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing the boundaries of a student/teacher relationship is deemed an abuse of power and a betrayal of public trust.

Some activities may seem innocent from a staff member's perspective, but can be perceived as flirtation or sexual insinuation from a student or parent point of view. The objective of the following lists of acceptable and unacceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to, or may be perceived as, sexual misconduct.

Staff must understand their own responsibility for ensuring that they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for disciplinary purposes. Thus, it is crucial that all employees learn this policy thoroughly and apply the lists of acceptable and unacceptable behaviors to their daily activities. Although sincere, competent interaction with students certainly fosters learning, student/staff interactions must have boundaries surrounding potential activities, locations and intentions.

Duty to Report Suspected Misconduct

When any employee reasonably suspects or believes that another staff member may have crossed the boundaries specified in this policy, he or she must immediately report the matter to a school administrator. All reports shall be as confidential as possible under the circumstances. It is the duty of the administrator to investigate and thoroughly report the situation. Employees must also

report to the administration any awareness or concern of student behavior that crosses boundaries or where a student appears to be at risk for sexual abuse.

Examples of Specific Behavior

As set forth in the MOU regarding special education between the District and Charter School, an IEP team will meet to conduct a manifestation determination and to discuss alternative placement utilizing the District's Special Education Policies and Procedures Manual. Prior to recommending expulsion for a student with a 504 Plan, Charter School's administrator will convene a Link Determination meeting to ask the following two questions:

This Pupil Suspension and Expulsion Policy has been established in order to promote learning and protect the safety and well-being of all students at the Charter School. In creating this policy, the Charter School has reviewed Education Code Section 48900 *et seq.*, which describes the non-charter schools' list of offenses and procedures, to establish its list of offenses and procedures for suspensions and expulsions. The language that follows closely mirrors the language of Education Code Section 48900 *et seq.* The Charter School is committed to annual review of policies and

procedures surrounding suspensions and expulsions and, as necessary, modification of the lists of offenses for which students are subject to suspension or expulsion. Any modification is submitted to the District for review through the Charter Amendment or Material Revision process.

When the Policy is violated, it may be necessary to suspend or expel a student from regular classroom instruction. This policy shall serve as the Charter School's policy and procedures for student suspension and expulsion. Charter School staff shall enforce disciplinary rules and procedures fairly and consistently among all students. This Policy and its Procedures will be printed and distributed as part of the Student Handbook and will clearly describe discipline expectations. Corporal punishment shall not be used as a disciplinary measure against any student. C. Suspension Procedure (for in-school and out-of-school suspensions)

Suspensions shall be initiated according to the following procedures:

1. Conference

Suspension shall be preceded, if possible, by a conference conducted by the Principal or the Principal’s designee¹⁸ with the student and his or her parent and, whenever practical, the teacher, supervisor or Charter School employee who referred the student to the Principal or Principal’s designee.

The conference may be omitted if the Principal or Principal’s designee determines that an emergency situation exists. An “emergency situation” involves a clear and present danger to the lives, safety or health of students or Charter School personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student’s right to return to school for the purpose of a conference.

At the conference, the pupil shall be informed of the reason for the disciplinary action and the evidence against him or her and shall be given the opportunity to present his or her version and evidence in his or her defense. This conference shall be held within two school days of when the student was suspended, unless the pupil’s parent/guardian waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization. No penalties may be imposed on a pupil for failure of the pupil’s parent or guardian to attend a conference with the Charter School’s Principal or designee. Reinstatement of the suspended pupil shall not be contingent upon attendance by the pupil’s parent or guardian at the conference.

¹⁸ “Designee,” as used in this Policy includes the Assistant Principal.

2. Notice to Parents/Guardians

At the time of the suspension, the Principal or designee shall make a reasonable effort to contact the parent/guardian by telephone or in person when the parent comes to the school. Whenever a student is suspended, the Principal or designee shall notify the parent/guardian in writing of the suspension and the date of return following suspension. This notice shall state the specific offense(s) committed by the student. In addition, the notice shall also state the date and time when the student may return to school. If the Principal or designee wish to ask the parent/guardian to participate in another meeting or phone conference regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

3. Suspension Time Limits/Recommendation for Expulsion

Out-of-school suspensions, when not including a recommendation for expulsion, shall not exceed five (5) consecutive school days per suspension. Suspensions shall not exceed twenty (20) school days in one school year, unless for purposes of adjustment, a pupil enrolls in or is transferred to another regular school, an opportunity school or class, or a continuation education school or class, in which case the total number of school days for which the pupil may be suspended shall not exceed thirty (30) school days in any school year. Upon a recommendation of expulsion by the Principal or Principal's designee, the pupil and the pupil's guardian or representative will be invited to a conference to determine if the suspension for the pupil should be extended pending an expulsion hearing. This determination will be made by the Principal or designee upon either of the following: 1) the pupil's presence will be disruptive to the education process; or 2) the pupil poses a threat or danger to others. Upon either determination, the pupil's suspension will be extended pending the results of an expulsion hearing. The student will receive meaningful access to education during suspension, and will have the opportunity to complete instructional activities missed due to his or her suspension. Suspended students will be able to communicate with designated classrooms teacher(s) or administrator(s) for any questions and for evaluation of work, and shall receive homework assignments and modified instruction through classroom teacher during their suspension and be provided the opportunity to make up any missed exams.. All assignments will be provided by the teacher and available for pick-up or mailed to the child's home. The method in which assignments will be delivered will be decided on a case-by-case basis and prior to the end of the 1st day of suspension.

D. Authority to Expel

A student may be expelled by an Administrative Panel following a hearing before it, and preceded by recommendation from the Principal. The Administrative Panel shall consist of at least three members who are certificated employees and neither a teacher of the pupil or a Board member of the Charter School's governing board. The Charter School's Board will appoint an impartial Administrative Panel. The Administrative Panel may expel any student found to have committed an expellable offense.

A student and his or her parents may appeal an expulsion decision by the Administrative Panel to

the Charter School's Board, which will make the final determination. Following the appeal hearing, the Board will make a final decision based on the information presented at the appeal hearing by the parent(s)/guardian(s) (or student aged 18 or over) and information from the original expulsion hearing.

E. Expulsion Procedures

Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. The interim placement for students who are suspended pending expulsion hearing and expulsion appeal hearing will be in accordance with the Alternative Educational Placement MOU with the District. If requested by the student through his or her representative, and unless postponed for good cause by the Principal, Principal's designee, or Administrative Panel, the hearing shall be held within thirty (30) school days after the Principal or Principal's designee determines that the student has committed an expellable offense and recommends the student for expulsion.

The Administrative Panel will hold a hearing on the case, and will make a determination whether to expel. The hearing shall be held in closed session (complying with all pupil confidentiality rules under FERPA) unless the student through his or her representative makes a written request for a public hearing no later than three (3) days prior to the hearing.

Written notice of the hearing shall be forwarded by the Principal or Principal's designee to the student and the student's parent/guardian at least ten (10) calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the pupil. The notice shall include:

1. The date and place of the expulsion hearing;
2. A statement of the specific facts, charge(s) and offense(s) upon which the proposed expulsion is based;
3. A copy of the Charter School's disciplinary rules which relate to the alleged violation;
4. Notification of the student's or parent/guardian's obligation to provide information about the student's status at the Charter School to any other school district or school to which the student seeks enrollment;
5. The opportunity for the student or the student's parent/guardian to appear in person or to employ and be represented by counsel or a non-attorney advisor;
6. The right to inspect and obtain copies of all documents to be used at the hearing;
7. The opportunity to confront and question all witnesses who testify at the hearing;
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf including witnesses;
9. A statement that the pupil's parent/guardian may request a postponement of the hearing for good cause;
10. A statement that the parent/guardian can request reasonable accommodations or language support if needed during the hearing.

F. Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses

The Charter School may, upon a finding of good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations that shall be examined only by the Administrative Panel. Copies of these sworn declarations, redacted to delete the name and identity of the witness, shall be made available to the pupil.

1. The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of his/her right to (a) receive five-day notice of his/her scheduled testimony, (b) have up to two (2) adult support persons of his/her choosing present in the hearing at the time he/she testifies, which may include a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying.
2. The Charter School must also provide the victim a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony.
3. At the discretion of the Administrative Panel, the complaining witness shall be allowed periods of relief from examination and cross-examination during which he or she may leave the hearing room.
4. The Administrative Panel may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
5. The Administrative Panel may also limit time for taking the testimony of the complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours.
6. Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the person presiding over the hearing from removing a support person whom the presiding person finds is disrupting the hearing. The Administrative Panel may permit any one of the support persons for the complaining witness to accompany him or her to the witness stand/area where the witness will be seated during the hearing.
7. If one or both of the support persons is also a witness, the Charter School must present evidence that the witness' presence is both desired by the witness and will be helpful to the Charter School. The Administrative Panel member presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding officer, who is the Administrative Panel member presiding over the hearing, shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising his or her discretion to remove a person from the hearing whom he or she believes is prompting, swaying, or influencing the witness.
8. The testimony of the support person shall be presented before the testimony of the

complaining witness and the complaining witness shall be excluded from the hearing during that testimony.

9. Especially for charges involving sexual assault or battery, if the hearing is to be conducted in public at the request of the pupil being expelled, the complaining witness shall have the right to have his/her testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.
10. Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the person conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstance can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

G. Record of Hearing

A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made. A copy of the recording is available to the pupil, parent, or guardian with five (5) business days of a written request.

H. Presentation of Evidence

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs, such as but not limited to testimony or documentary evidence of a similar nature as that used in other types of hearings or official proceedings. A determination by the Administrative Panel to expel must be supported by substantial evidence presented at the hearing that the student committed an expellable offense. Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay. Sworn declarations may be admitted as testimony from witnesses of whom the Administrative Panel determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the pupil, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

The decision of the Administrative Panel shall be in the form of written findings of fact.

If the Administrative Panel decides not to expel, the pupil shall immediately be returned to his/her educational program.

I. Written Notice to Expel

The Director or designee, following a decision of the Administrative Panel to expel, shall, within seven (7) calendar days of the decision, send written notice of the decision to expel, including the Administrative Panel's adopted findings of fact, to the student or parent/guardian. This notice shall also include the following: (a) Notice of the specific offense(s) committed by the student; (b) Notice of appeal rights/procedures; (c) Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the Charter School; and (d) information regarding the rehabilitation and reinstatement eligibility.

The Principal or Principal's designee shall send a copy of the written notice of the decision to expel to the authorizer. This notice shall include the following: (a) The student's name; and (b) The specific expellable offense committed by the student.

J. Disciplinary Records

The Charter School shall maintain records of all student suspensions and expulsions at the Charter School. Such records shall be made available to the authorizer upon request.

K. Right to Appeal

Parents/Guardians may appeal the expulsion decision of the Administrative Panel by making a written request and submitting it to the Board within fifteen (15) school days of the expulsion decision. The student will be considered suspended until a Board meeting is convened [within thirty (30) days] at which time the parent(s)/guardian(s) (or student aged 18 or over) must attend to present their appeal. Reasonable accommodations will be made, and language support offered, for students and parents/guardians who wish to appeal. Following the appeal hearing, the Board will make a final decision based on the information presented at the appeal hearing by the parent(s)/guardian(s) (or student aged 18 or over) and information from the original expulsion hearing. The Director or designee will send written notice to the student or parent/guardian of the Board's decision within seven (7) calendar days of the appeal hearing. The Charter School Board's decision to uphold the administrative panel's decision to expel shall be final.

Parents/guardians may appeal the expulsion decision of the Administrative Panel by making a written request and submitting it to the Principal within ten (10) school days of the date of the written decision to expel. The student will be considered suspended until a Board meeting is convened within ten (10) school days of receipt of the written appeal. The parent(s)/guardian(s) must attend to present their appeal. Parents/guardians may request one continuance of up to ten school days. Reasonable accommodations will be made, and language support offered, for students and parents/guardians who wish to appeal. Following the appeal hearing, the Board will make a final decision based on the information presented at the appeal hearing by the parent(s)/guardian(s)

and information from the original expulsion hearing. The Principal or designee will send written notice to the student or parent/guardian of the Board's decision within seven (7) calendar days of the appeal hearing. The Board's decision to uphold the Administrative Panel's decision to expel shall be final. If the Board overturns the expulsion, the pupil shall immediately be returned to his or her educational program.

L. Expelled Pupils/Alternative Education

Parents/guardians of pupils who are expelled shall be responsible for seeking alternative education programs including, but not limited to, programs within the County or their school district of residence. The Charter School shall work cooperatively with parents/guardians as requested, and in the manner requested, by parents/guardians or by the school district of residence to assist with locating alternative placements during expulsion. Within 5 school days of the expulsion, the Charter School shall have a voluntary post-expulsion meeting with parents/guardians in the manner requested to assist with locating alternative placements during expulsion, including in the County or school district of residence.
